Skating every Wed., Fri. Sat., Sun., nights, 8 to 11 p. m.—Sat. & Sun Matinees 2 to 4 p. m. A Clean Place for Clean Recreation.

Red Barber (above) will share the Mutual microphone with Bob Elson of WGN to bring play-by-play account of the World series to the Mu-tual audience starting Wednesday, Oct. 1, from Yankee

# Sander's **Pants Fit** Too Tightly

By FREDERICK C. OTHMAN HOLLYWOOD - (U.P.) - It is our unhappy duty to report that the Plow Judges great detective. George Sanders, flubbed badly today in connection with the case of the tight pants. He couldn't get 'em off. Far as we know, he's still strug-

Sanders is the British actor who

heavy being chased.

At the moment he's being chased. He is the guy who beats Tyrone Power almost to death, cheats him out of his castle, tries to shoot him, hires a physician to bleed the life blood out of him, attempts to force him into marriage the wrong girl, and nearly gets him hanged for a crime he didn't commit.

Can't Even Move Sanders yawned. Or at least he would have yawned if he hadn't been struggling with those pants. He was appearing 'n a picture called "Son of Fury" and he was furious, all right, account of those

They were of finest brown whip cord and they must have been designed by the Johanson Precision Gauge co. because they fitted Sanders like no pants ever fitted any-body before. They were special 1785 pants, without any way to un-button 'em. Sanders reported he had spent 45 minutes getting into

"Look," said he, "can't even lift

Took a Derrick to Him Friday, he said, the script called for him to ride a horse. "Only I could not climb on the beast," he plays. Lafayette and Waushara said, "Because I could not get up my leg without ripping my pants. So three men tried to help me up. They failed miserably.
"So they sent out for a derrick and I got on the horse. I fell off

later.' Sanders said he did not mind the

time it took to get his pants on and, of course, off, except for the fact that this interferes with his sleep. He is the only villain who can walk from kissing the gal, or beating her up as the occasion demands, and into his dressing room and go sound asleep. He can't sleep in his pants. Too tight, "These pants," he continued,

also are giving me far too much physical exertion. I cannot take it. Ordinarily I keep in physical trim by leaning on my left arm in bcd, and raising a cigarette to my

# No Wife in England

Sanders added, while he was on the subject of Sanders, that he never read his fan mail. Too much work. Neither does he read his scripts. Too much worry.

He has a vague idea of the villainy he must perpetrate against

the hapless power, but he intends to let it unfold upon his conscious-

tess gradually. One other thing, There have been reports that Sunders has a wife in England. This is not true, but Sanders would just as soon you didn't spread the word around. He likes to seem mysterious. And furthermore how can a girl get a romantical feeling about Sanders when she is pretty certain he has a missus back in the old country?

He is an odd duck, Sanders is And an excellent actor. Only one trouble with him: He can't get out of his pants.

Maestro Ray Block and Director Charles Martin spend at least four hours together each week framing back-ground music for the CBS "Playhouse" series on Friday nights, Block composes, Martin suggests.

# State Heads for Record Against Diphtheria

Wisconsin appears to I rounding out its best year of diphtheria control, according to the state board of health.

For the past four weeks not one

case has been reported. This year's cases to date have totaled 26, equalled only in 1938, when for the entire year the state had 27 cases but 17 death; of

Immunization is being carried on
