

Louise Fitch has everything but spare time since joining the cast of the new weekly show, "That Brewster Boy," heard over NBC at 8:30 p. m. Mondays. Here's why—Monday through Friday she is heard in "The Road of Life," "Arnold Grimm's Daughter" and "The Guiding Light."

John Conte had a good long rest from Frank Morgan's tall tales, but he seems to be falling into disbelief pretty early in the new season. Of course Frank had a vacation, too, and perhaps the strength he gained during the rest period led added punch to his stories. Maybe that's what's worrying John. They're heard with Fanny Brice over WIBA at 7 p. m. Thursday.
