### By V. T. HAMLIN Tree Memorial Is Planned By Lima Veterans

to the World war dead will be made on the afternoon of Armistice day when legionnaires and members of other patriotic organizations place trees along State Route 25, the Dixie-hy, at its northern entrance to Lima.

In co-operation with the State Highway department, the patriote organizations will plant some dozen trees. The planting will be marked by an appropriate plaque. Additional tree-plantings will be held each Armistice day until the Dixie highway is lined with oak trees for several miles.

William Paul Gallagher American Legion post called upon its auxiliary and the Eight and Forty society, and auxiliary, to join in dedicating four trees. The Veterans of Foreign Wars and auxiliary organizations will participate, as will several other patriotic societies. The hour for the ceremonies will be announced in time for the public to attend, according to Post Commander Harry Weldgen of the Legion.

"Twenty-five and goal to go," was the announcement Saturday of First Vice Commander, Tom Gallagher, as membership enrollment in the Legion post moved toward the 376 quota. The membership quota is scheduled for Armistice day, but it appeared likely Saturday that the 25 members would be enrolled by the post's meeting next Friday night.

New committee appointments of the post include Harold Dillon and C. F. (Mike) Sweeney, junior baseball: Grant Sorgen, publicity, and Fred Short, essay contest and boys' state.
