Who will settle your estate?

If you name a capable executor in your will, your estate will be settled economically, its assets protected, your family's welfare maintained. If you do not leave a will naming an executor, the court will appoint an administrator. Wouldn't you prefer that your estate be settled by an executor chosen by you?

An experienced executor will protect your estate from penalties and losses that it might incur under less capable manage-

The First National Bank's experience, systematic methods and responsibility will safeguard your estate if you name it as executor of your will. A discussion with one of our Trust Officers will be confidential and without obligation to you.

Good Listening: 'The World Is Yours'

By MRS, ARTHUR LENTZ News Broadcasts Member, Radio Committee, Madison Branch, American Association of MONDAY

| Committee, Madison Branch, American Association of University Wemen) | Proof of the interest and popularity that can be aroused by a truly well done and interesting educational radio program can be found in the exfound in the exfound in the example of "The World Is Yours". Begun in 1936, through the cooperation of the National Broadcasting Co., the Smithsonian institution, the United States office of education, and the Works Progress administration, this feature evidenced such immediate interest that a survey showed a listening audience of no less than 1,000,000 during ils first year. Since that time, it has grown to the point of receiving, in 1940, the highest rating of all sustaining programs on all networks Diversified Subjects

The subjects chosen for "The World Is Yours" are widely diversified, but an analysis of the topics over a yearly period reveals them to be carefully arranged to cover the broad classification of the point of receiving arranged to cover the broad classification of the National Popularity WMAQ WTMJ 4:15 WJDD 6:30 WMAQ WCCO 5:45 WLS WEMM WIMIN 3:55 WTMJ 4:15 WJDD 8:300 WLW WENR 1:55 WLS WIMIN 8:500 WLW WENR 1:500 WGN WIMIN 2:55 WIMIN WIMIN 8:300 WIND WIMIN 8:300 WIND WGN 8:30

topics over a yearly period reveals them to be carefully arranged to cover the broad classification of hem to be carefully arranged to over the broad classification of initiation activities.

These include all phases of observed and physical solutions. Smithsonian activities.

physical science, astronomy, bioi-| Sports Reviews ogy, geology, anthropology, engineering, industry, history, art, and exploration, which offer unlimited horizons in the field of radio drama.

This wealth of material together with the excellent scripts Markets provided by the Smithsonian, and duction which NBC uses for production which NBC uses for programs, completely collapses the idea that educational programs must be dull and uninteresting.

Clubs achoele and these for productions are producted by the production of the production

Conserve Milk Bottles by returning them promptly!

Y OUR doctor will tell you that sparkling, spotless milk bot-tles are vital to the health of your family.

But the months ahead threaten the supply of milk bottles-for national war effort demands nearly all the products of our bottle factories. And shipping capacity of the rail-

roads and trucks is needed for other vital things. So conserve bottles and preserve your family's health. Wash them carefully . . . return them daily.
