Breezy Newspaper Story Is Told In New Lyric Picture

"The Bride Wore Crutches" Will Open Tuesday; "South Of Panama" Set As Second

Feature

When a cub reporter mixes it up with gaugsters and thwarts a big bank robbery the result is a breezy newspaper yarn, which is just what "That Bride Wore Crutches" is. The Film commences Tuesday at the Lyric with Lynne Roberts, Ted North, Lionel Stander, Robert Armstrong and Edgar Kennedy in leading roles. Co-featured is "South of Panama,"

starring Roger Pryor. Showing for the last times Monday are "Red River Valley" and "A Very Young Lady,"

A two-fisted sports writer and a cultued feminine columnist have a go at matrimony in the current Ohio film, "Woman of the Year," starring Spencer Tracy and Katherine Hepburn. The film treats the "career ve, marriage" problem with a unique twist, resulting in one of the topnotch comedies of the season. Fay Bainter and Reginald Owen have prominent supporting roles.

Malicious gossip is the principal factor of villainy in the current Quilna feature, "Remember the starring Claudette Colbert and John Payne. Also in the cast are John Shepperd, Ann Todd, Douglas Croft, Jane Seymour, Ann E. Revere and Frieda Inescourt.

Adventure holds sway at the Sigma theatre as one of the most colorful figures of the frontier invades the entertainment world in 'Wild Bill Hickok Rides." Bruce Cabot has the title role of roughand-ready marshal of a wild frontier town. Others in the cast are Constance Bennett, Warren William, Betty Brewer and Ward Bond. Co-featured is "All-American Co-Ed.

"Nothing But the Truth." starring Bob Hope and Paulette Goddard, is the big attraction at the State theatre. Hope, as a not too successful broker, makes a bet with another broker, portrayed by Edward Arnold, that he can tell the truth, unconditionally, for 24 hours. How difficult this can be is demonstrated by the story. Co-featured is "Henry Aldrich For President."

LYRIC

A new romantic team makes it's film debut in "South of Panama, theatre. The duo consists of de-Virginia Vale. RKO contract player who was loaned by that company to producer T. H. Richmond for the film.

In addition to being a popular sidered a jack of all entertainment traders, having been in "Power Dive."

Miss Vale began her screen career as the winner of the second Jesse L. Lasky "Gateway to ! Hollywood' contest, and has appeared in such RKO films as "You Can't Fool Your Wife."

Three Sons," "Millionaires in Prison" and "Repent at Leisure." "South of Panama" is the story of the attempts of a spy ring to obtain the secret formula for a new camouflage paint to be used on the vital Panama canal. Posing as Miss Vale's brother, inventor of the formula, Roger has little time to pursue his dog his every footstep.

Your Federal WOODEN TIRES Income Tax SUGGESTED BY COLUMBUS

Dairy Operator Believes He Has Answer To Critical Rubber Shortage

COLUMBUS, O., Feb. 16-(AP) -The answer to the nation's rubber (tire) shortage may lie in America's forests rather than in the jungles of South America. And Glen Conrad, versatile Co-

lumbus business man who operates the willful act or negligence of the a basket lunch system and manu-taxpayer, is a deductible loss in factures dry ice equipment, asserts factures dry ice equipment, asserts the computation of net income. If he has that answer-wooden tires. Conrad already has produced everal models of wooden tires and William Moore, president of Model Dairy Products Co., a large milk distributing concern, announced that his firm is ready to give the timber treads a trial before re-

ing force the issue The tites, built of six-inch blocks held together by a circular steel an automobile used for pleasure | rod and looking much like ordinary and convenience is deductible. It rubber treading may not be a must be established, however, that luxury, Conrad says, but they're practical and may be more economical than a return to old dobbin, He explains it this way:

miles an hour, won't cost much to

sorting to horse and wagon deliv-

eries should truck and tire ration-

"It's a step between the horse nd wagon. A horse can travel three or four miles an hour walking, eight miles an hour trotting. "My wooden tires will stand 15

produce and will eliminate the outlay of money for horses, feeding the animals, keeping them shod and buying harness." The tires are built to fit medern rims and may be substituted for tubber treads in a few minutes, says Contad. He doesn't know, lowever, how much they'll cost or what the mileage limits might be. Wooden tires are not entirely

new to Conrad. He experimented with them a decade ago when an ice cream firm for which he worked was seeking -- like all America -i puncture proof tire. The trouble with those first wooden tires, Conrad says, was that they were not easy to repair." His steel-rod, wooden-block as-

sembly has circumvented that ob-

jection, he asserts, explaining that

worn or split block easily may

be removed and another "rung on" Contad has applied for a patent on his idea and says he intends to manufacture the wooden tires if rationing and the war continuo ong enough to make the venture

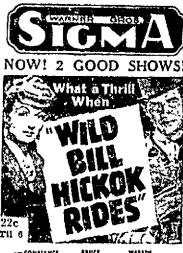

WESTBAY QUITS AS POLICEMAN,

WAPAKONETA, Feb. 16-Patrolman Rermit Westbay, a member of the total police force for the past 18 months, has resigned, effective immediately, tonecept a position with the Lima Locomotive Works, Inc., It was announced by George Anderegg,

aniety-service director. The resignation leaves two vacancles on the local staff and Anderegg said a call for a civil service examination has been filed. Joseph Haitaid, secretary of the Civil Service Commission, said no date for the exam has yet heen set.

Keeping the floor of clothes closets clean will prevent dust rising and settling on clothing stored therein. Wipe up the floor occasionally with a clean cloth wrung out of warm sonpy water.
