Santa Anita Has Helped Hialeah

Florida Track Has Pick of Talent

BY JACK CUDDY

United Press Staff Correspondent) NEW YORK— (U.E) —The big green gates of Santa Anita Park will be shut tight on the afternoon of March 7, and the thousands of Californians who annually flock to the flower-spangled track to watch the running of the classic \$100,000 handicap will be at home reading newspapers, instead. But down in Miami, Fla., there'll be much activity.

For the blackout of racing in California has proved a windfall to Hialeah Park. When the \$50,-000 Widener Cup is renewed on March 7, one of the greatest fields in all turf history will march to the post, and it will be topped by the famed "Big Three"—War Relic, Challedon, and Mioland, whose winnings total about \$650,000.

As competitors for these three grand thoroughbreds we find such capable performers as Alsab (his entry isn't certain yet), Our Boots, Market Wise, Pictor, and The Chief. There are others, of course but who needs ask for others with a field composed of these, a field that has won almost \$1,000,000-a lot of hay, indeed.

War Relic Favored

Whirlaway is the only top thoroughbred that won't be on hand -and for once he won't be missed. That is because there are plenty of horses who have beaten the Calumet charger. For instance, War Relic, Attention, and Our Boots. Then, too, there's the romance of the bargain-buys-Alsab, Market Wise, Our Boots, and Mioland-who once could have been purchased for a total of less than 20,000, but who have won

more than half a million.

Right now War Relic is the advance favorite for the mile and a quarter run through the palms and flamingoes of the Miami playground. His price is 5 to 1 because he is a speed horse. He showed he had class is slamming the two biggest events held in New England—the \$50,000 Massa_ chusetts Handicap and the \$25,000 Narragansett Special—and he is

War Relic is certain to go out on the front of the field in the Widener, maybe with Our Boots, and that is one factor which should make it a great race. Challedon and Mioland are stretch burners. Market Wise and Pictor, when the latter is having a good day. Attention, too, can run at the wire. He proved that once in whipping Whirly.

Race Has Every Attraction With a fast pace assured, Challedon and Mioland will be comledon and Mioland will be coming up at the end like the Orange Blossom express. Challendon has surprised many by his startling comeback last week when he finished second in his first start after a layoff of almost a year. Big Pete had been taking salt water treatments on the shores of the Pacific for oiling hoofs, and there still is hope that he can boost his present earnings of \$322,000 which make him the sixth biggest money-winner of all timepast the \$437,730 mark establish-

ed by Seabiscuit. As for Mioland, third member winter horse. He always runs bet-
