"This Above All," with Tyrone Power, Joan Fontaine and Thomas Mitchell in the principal roles, is the Friday preview offering of the Quilna theatre. The film is based on a story by Eric McKnight, a romance of our war generation with all the ingredients of adventure that has been crammed into our lifetime. Showing for the last times Friday are Magnificent Dope," "Thru Different Eyes."

A true picture of life in modern Tahiti among the descendants of the New England sea-farers who settled in that South Sca paradise, is given to audiences in "The Tuttles of "Tabiti," starring Charles Laughton and now show ing at the State theatre. Of a diftaining is the co-feature, "Murder in the Big House."

Chester Morris is featured in the Lyric's current "Confessions of Boston Blackie," second in the soires of thrillers based on the crime-hunting exploits of fiction's suavest rogue. Harriet Hilliard is the leading lady while other important roles are handled by Richard Lane, George E. Stone and Co-featured is Joan Woodbury. "Down Texas Way."

Satire is the cornerstone Charlie Chaplin's humor, and in Sigma, he creates hilarious situations by poking fun at the oftremanticized yearning for gold, story, is dedicated to the present Co-featured is "Scotland Yard," struggle-the war is not lost sight while commencing Saturday will be of for a minute, tho it is never "Private Buckaroo" and "Men of shown.
