

# Abbott And Costello Launch New Radio Program Thursday

Veronica Lake Will Be First Guest Of Comedians In Their New Starring Series Over WEAF At 7:30 P. M.

Bud Abbott and Lou Costello, with Veronica Lake as their first guest, will come into their own as radio performers when they launch their new starring series Thursday at 7:30 p. m. over WEAF. Previous to this time, the comics have simply been doing vaudeville routines on the air, but with the advent of their new starring program, they'll adopt a radio format.

Henry Aldrich procrastinates, as likewise does his biology teacher, to save the academic career of Clifford Goldsmith's young hero in "The Aldrich Family" on Thursday at 8:30 p. m. over WEAF.

Following their appearance on WABC Stage Door Canteen program two weeks ago, the Andrews Sisters got so much unusual fan mail requesting another appearance, that they asked program executives for a repeat on the show. They'll get it with the broadcast of Thursday, 9:30 p. m. over WABC, when they return on a bill to be headed by Miriam Hopkins in the dramatic spot and Bill Robinson, assisted by Eddie Green, in the comedy spot. Ray Paige will furnish the music with Bert Lytell acting as emcee.

The old, haphazard country store operated by Rudy Vallee will be visited by the grinning Bert Lahr, star of numerous Broadway hits and cinema comedies, when he guest stars on Vallee's program Thursday at 10:00 p. m. over WEAF.

Comedian Milton Berle and Desi Arnaz, Cuban screen, radio and night-club singer, will be Bing Crosby's guests in the Music Hall Thursday at 9:00 p. m. over WEAF.

Mary Martin, Victor Borge, Ken Carpenter, the Charloters and John Scott Trotter will make their familiar contributions to the program.

# NEWSPAPER MAN IS GIVEN AWARD BY MACARTHUR

SOMEWHERE IN NEW GUINEA, Oct. 3—(Delayed)—  
(AP)—The U. S. Army's Silver Star was pinned upon the pajamas of Associated Press Correspondent Vern Haugland by General Douglas MacArthur today in an unprecedented recognition of civilian courage.

Pausing on a visit to the New Guinea war front, General MacArthur made the award at the hospital tent where Haugland is recovering from exhaustion and fever after 43 days spent fighting his way out of the mountainous jungle into which he parachuted from a bomber Aug. 7.

"I am awarding you the Silver Star as an outward symbol of the devotion and fortitude with which you have done your duty," the commander told the lean, 34-year-old newspaperman.

"I can't tell you how much we

have been inspired by your getting back after such tribulations and hardships."  
Gasoline vapors have been found to have anesthetic effects similar to those of alcoholic vapors.
