New Brunswick, N. J. Roundy: So sorry I did not know Sept. 18th was your "Special Day". Would have sent card. Saw your name in "Joy Bear" which I received on Oct. 23rd.

Ishteping, Michigan. Roundy: We noticed your ad in October 15th Journal for locating Jack Voll, who ran away from your city when Minnesota got trimmed by Illinois.

Is there any reward? We have the guy in room 205 with a fever of 110, and he keeps saying over and over, "it can't be true." We hope to get him in shape to be back there, for some easy pickins for the Minnesota vs Wisconsin game in November, but he is still delirious, and very, very sad.

Yours very truly, Ben Tracy.

Stoughton. Roundy: This fall I'm predicting games, and have picked the Badgers to win every time. Most of the "experts" picked Great Lakes to win, but I picked them to lose 21-13 and you did it 20-13. I guess we are the two "I told you so" boys of the week.

United States Coast Guard Manhattan Beach Training Station Brooklyn, New York. Roundy: Although I miss many things about Wisconsin, I can say without hesitation that I miss the Wisconsin football season the most.

Monterey Park, Calif. Roundy: Just in case you have not seen this clipping I thought you might be very interested. It appeared in the Los Angeles Herald Express Oct. 20, 1942.

It would thrill any Badger and I hope it is well founded. My very best to you, "Turk" Mathison.

BADGERS IN FRONT: The Wisconsin Badgers of the Big Ten lead the parade for national grid honors under the Deke Houglate rating system.

The standings (first fifteen) follow: 1—Wisconsin; 2—Georgia, Ohio State (tied); 4—North Carolina; 5—Georgetown; 6—Texas Christian; 7—Boston College, Santa Clara (tied); 9—Iowa Navy; 10—Army; 11—Georgia Navy; 12—Georgia Tech; 13—Michigan, William and Mary (tied); 15—Notre Dame.

High School games. They draw crowds of 30,000, and play a brand of football as classy as any college team in the states. News from over here is all good, and we hope to be back to dear old Wisconsin. I wish I could tell you more how the American youth is carrying on in this war, and I want to say there isn't a better fighting man in the world than the fellows that come from the good old U. S. A. And if you don't believe me ask the Japs, they will tell you. The radio programs from the States, that get to us by short wave is really a good thing for the boys here.

Roundy: Will you please tell me who does the voting in the A.P. grid poll and on what they base their calculations? When I saw the list of the first ten teams in today's paper I was disgusted to say the least.

Wisconsin Fan. Roundy: I arrived safely in Argentina about a week ago. Had a fine trip. The food is good. The quarters are fine. The recreation is fair. Censorship regulations will not permit detailed discussion of the weather but it is fine.

out to his job. Art is doing a fine job down there if he keeps it up he will be chief of police. He is papa now and says he will have his boy playing at Wisconsin. I have a lot more news for you but will have to save some of it until I see you so you can write a book if you run out of dope. I have some on Allen, Bradford, Guilford, Davisville and Argentina so far. Guilford has been the best for me. They have a nice bowling alley here. Hope I get to use it soon so I can come back and trim some of those Cross Plains and Sauk fellows. Say hello to the gang. Best regards, Jack Hammerli.

IT'S UP TO YOU: When you hate to see summer With its fine weather go And you can't bear to think Of traveling on snow. When you see the gay songbirds All head for the South; And the thought of cold weather, Makes you shiver with cold— Then that's a sure sign, That you're fast growing old.

But when you look forward To gay autumn leaves— And can stand the chill blasts, That sweep through the trees. When you love all the sports That cold winter will bring— And not hate to think Of waiting for Spring. When down in your heart You welcome winter with zeal, It's a positive sign— You're as young as you feel.

Roundy: Notice Irving Vaughn I think he was referred to our Badger backfield as "the Three H" backfield. That don't seem to cover the situation so honor is this "Hell Harder and Hallelujah" Hoskins: "Here we come" Hirsch. You can almost make a song out of it. Sing to the tune of "Coming Round the Mountain". Oh, hell and hallelujah, here we come; Hell and hallelujah, here we come; Oh, it's hell and hallelujah, quick as a wink they'll fool you. Hell and hallelujah here we come. If it sounds O. K. to your esthetic nature, you may fire when ready.

forced on the art director. He didn't ask for it, he just fell heir to it. It seems that artist Urbachett during college days at Milwaukee Teachers College had played two years of football, and Viroqua needed a football coach. Last year wasn't too good, but it was fair, and in the right direction. In seven games Viroqua won two games, tied two games, and lost three games. In the seven games Viroqua made six touchdowns, as to their opponent's eight. This year's team proved a power-house. Today Viroqua has won all six games, and is now challenging Sparta for the West Central Football Conference championship. Sparta and Viroqua play at Viroqua October 30th. "Here's to the man who has made an art of coaching."

Yours truly, G. O. Cox.

P. S. If our boys win, can you come up for a banquet?
