Elley Queen Will An Solution Of "The Adventure Of The Singing Rat" On Saturday

A 3-year-old tot, practically an infant—who can recognize any musical instrument, spell polysyllabic words, as well as typewrite them perfectly for all the world to see, will be Dave Elman's guest on Hobby Lobby Saturday over WABC at 8:30 p. m.

Other hobbyists include a poetic bill collector, and a male culinary expert. Annabelle Brooks of Houston, Tex. knew the entire alphabet when she was 18 months old. Now, at the ripe old age of 3, she can spell phonetically words she never heard before, type them out, read, and retain names of any and every type of musical instrument.

A stung of one that could like a composite of many of our sales leads. Elley Queen to his solution of "The Adventure of the Singing Rat" Saturday (WABC 7:30 p. m.)
