Alaska. In 1903 he wrote a book, "The Call of the Wild," which became popular all over the United London had written one short The trip to the Klondike was dog story and decided to write another. After starting the new

month he forgot everything exthe sea. Here we see him at the The long story was "The Call pilot wheel."

wolves called him back to wild at once it was bought by a maga-

life. Jack read the story aloud to zine for \$2,000. some friends. When he finished at At the age of 28, Jack London one o'clock in the morning, he was asked to go to the Orient as could tell from their faces that he a correspondent for a San Fran-

don extended his travels. One of his journeys took him to islands of the southern Pacific. The record of that exciting trip is to be found in a book called "The Cruise of the Snark." He was only 40 years of age at the time of his death in 1916. Into his life he had packed more adventure than comes to many persons who live a much longer time.
