Barnum's Contributions To Culture Dramatized

Lawrence Tibbett, George Jessel And Billie Burke To Share Guest Post On "Stage Door Canteen"

Evidently that incomparable master of showmanship, Phineas Taylor Barnum, contributed more than the traveling circus to the American world of entertainment. He is credited also with being the man who promoted the first large-scale concert tours in America, enabling such pioneer European virtuosi as Jenny Lind, the "Swedish Nightingale"; Ole Bull, Norwegian violinist; Henry Christian Timm, the planist, and others to reap a fortune in what was then more or less of a cultural wilderness. All in all, reports from previews indicate that 20th Century-Fox, which made "How Green Was My Valley," "This Above All" and The Pred Piper," once again has uncovered the key to translating a thrilling novel into an even more thrilling film.
