GENTLER TREATMENT FOR CONSTIPATION

If you suffer from constipation due to lack of "bulk", and have normal intestines, ought to know about medicinal laxatives. They work principally by

working on you — prodding your intestines into action or drawing water into them from other parts of your body. A dose gives only temporary relief.

Treat such constipation by cating Kellogg's All-Bran regularly. It works chiefly on the contents of your colon, getting at the cause and correcting it. Eat ALL-BRAN regularly, drink plenty of water and "Join the Regulars"! Made by Kellogg's in Battle Creek.
