

"Casablanca," Film Hit To Be On "Screen Guild Players"

Leon Henderson Joins "Information Please" Experts In Cleveland For Bond Drive Monday

Three members of the original cast will re-create for dialers the exciting story of "Casablanca," the film hit, for the "Screen Guild Players" program over Station WABC at 10 p. m. (EWT) Monday. The stars are Humphrey Bogart, Ingrid Bergman and Paul Henreid.

Leon Henderson makes his first public appearance since his resignation as OPA administrator, when he joins Franklin P. Adams, John Kieran and Oscar Levant of the "Information Please" board of experts, when the popular quiz show moves to Cleveland to conduct a War Bond drive in that city, on Monday at 10:30 p. m., EWT, over Station WEPF. The program will be broadcast from the huge Public hall in Cleveland, and the audience will be seated in order as they purchase bonds ranging from \$50 to \$5,000.

Zero means nothing, except when it's on the wrong side of a decimal point, as Blondie Dagwood and his boss, J. C. Dithers, learn when "Blondie Sells Some Bonds," on Monday at 7:30 p. m., EWT, over Station WABC. Dagwood, authorized to bid for Dithers in a War Bond auction, misplaces a decimal point, and gets his boss into a serious predicament. As usual, tho, Blondie straightens everything out.

The Telephone Hour begins its fourth year on the air with the renowned violinist, Jascha Heifetz as guest artist on Monday, at 9,

WAR CASUALTY LIST GROWS TO 78,235 TOTAL

WASHINGTON, April 26—(AP)—The Office of War Information announced today a war casualty of 78,235. This figure, representing an increase of 12,855 since the last OWI report Feb. 20, apparently did not include some of the most recent Tunisian losses. The OWI explained that the figures were only for casualties whose next of kin had been notified as of yesterday.

The latest list included 12,123 dead, 15,049 wounded, 40,435 missing and 10,628 prisoners. Army casualties totaled 53,309, including 4,976 killed, 10,384 wounded, 27,321 missing, and 10,628 prisoners of war. Of the wounded, 1,058 have returned to active duty. Navy casualties total 24,926, made up of 7,147 dead, 4,665 wounded and 13,114 missing. Nevada became a state on October 31, 1864.

PRIVATE BUCK .. By Clyde Lewis

"Just photograph the battle, Buck. Never mind directing the action!"

GARDENERS TO SHOW NEED FOR EXTRA GASOLINE

WASHINGTON, April 26—(AP)—Victory gardeners—those cultivating 1,500 square feet or more—will get extra gasoline rations this summer if they can show need, the Office of Price Administration announced today.

OPA amended its regulations to provide up to 300 miles for victory garden travel. At 15 miles per gallon, that would give the city "farmer" 20 extra gallons during the gardening season.

A special victory garden ration, issued thru the "B" coupons, was a result of Agriculture department and Office of Civilian Defense demands. Those agencies advised that many city residents were ready and willing but unable to take over the care of gardens in outlying districts because they couldn't get to them.

OPA announced these regulations to govern the program:

1. This 1,500 square feet has to be cultivated regularly. And vegetables, not pansies, must be grown.
2. The gardener must show he can't get to his garden any other way that driving and that his labor is necessary for its cultivation. City residents regularly employed on farms will continue to be eligible for occupational mileage.
3. The urban dweller who wants to cultivate a rural plot must arrange, if possible, the share his car with other gardeners.

THREE FREED IN LYNCHING CASE

HATTIESBURG, Miss., April 26—(AP)—A federal court jury freed three Jones-co citizens here today of civil liberties charges in connection with the lynching of a Mississippi Negro, thus ending the first federal action taken against white men in a southern lynching in 40 years.

The jury of 12 men was given the case at 10:15 p. m. Friday and returned its verdict of acquittal at 9:11 a. m. today, just 14 minutes after court was convened.

Federal Judge Sidney C. Mize polled the jury and found the verdict was unanimous, acquitting the defendants, Luther Holder, Jones-co deputy sheriff and jailer; Barney Jones and Alton Fryor.

Astaire Dance to Music Of Xavier Cugat At The Lyric

"You Were Never Lovelier" Opens Tuesday With Rita Hayworth; "Manila Calling" Also Shows

"Dearly Beloved" and "I'm Old Fashioned" are two of the songs sung in "You Were Never Lovelier," which opens an engagement at the Lyric theatre on Tuesday. Music is furnished by Xavier Cugat and his world-renowned orchestra and dancing scenes and romance are supplied by Fred Astaire and glamorous Rita Hayworth. "Manila Calling," also will open. Ending Monday are "The Fighting Devil Dogs" and "Boston Blackie Goes Hollywood."

Alice Faye sings several old time ballads as well as new hits in the technicolor musical, "Hello, Frisco, Hello," which currently is attracting patrons to the Quilna theatre. John Payne, Lynn Bari, Jack Oakie and Laird Cregar also are starred in this story of the Barbary Coast of San Francisco which will show thru Friday afternoon.

Nearing the close of its run at the State is "The Hard Way," a vivid love story with Joan Leslie, Dennis Morgan and the English star, Ida Lupino. Walt Disney's feature, "Rambi" also at the State, presents a crochety philosopher, Friend Owl, who gets disgusted with the wholesale romance taking place among the young fry when spring rolls around.

Much of the Ohio hit, "Edge of Darkness," revolves about the measures taken by Errol Flynn, Ann Sheridan and Walter Huston in sabotaging the Nazi occupational army in Norway. It will show thru Friday along with a full feature, "Postmark U. S. A." The management announced that "Slightly Dangerous," will open Saturday with Lana Turner and Robert Young in the principal roles.

The "long-stemmed American beauties," swing music by Benny Goodman and his swing band, hit songs by Dennis Day add life and color to Charles R. Rogers' production, "The Powers Girl," which is at the Sigma theatre. Also showing is "Taxi, Mister," a laugh riot with William Bendix, Grace Bradley and Sheldon Leonard.

Thru Monday, the Majestic will present "Viva Cisco Kid" and "Who Done It?" a laugh riot.

Now at the Drive-in is "Song of the Islands," with Betty Grable and Victor Mature.

Rita Hayworth, Fred Astaire and Jerome Kern combine their brilliant talents in a motion picture as to merit its enthusiastic Hollywood appraisal as "the greatest picture of their lives!" It opens Tuesday at the Lyric theatre.

"You Were Never Lovelier," strictly speaking, refers only to Miss Mayworth's curvaceous charms; the titular statement, virtually is an understatement. On the other hand, Miss Hayworth offers more than mere beauty to the film; she matches Astaire's most difficult dance routines with graceful, delightful ease. She proves herself an equally valuable romantic and comedic partner. Kern's music, easily his finest since "Show Boat," looms large in the new tune-film and includes such radio-famous hits as:

"I'm Old Fashioned," "Dearly Beloved," "You Were Never Lovelier," "Wedding in the Spring," "The Shorty George," and several others. In addition to these entrancing new melodies, which are presented by Xavier Cugat and his orchestra, the world-famous bandsters present their own specialties to govern the program:

1. This 1,500 square feet has to be cultivated regularly. And vegetables, not pansies, must be grown.

2. The gardener must show he can't get to his garden any other way that driving and that his labor is necessary for its cultivation. City residents regularly employed on farms will continue to be eligible for occupational mileage.

3. The urban dweller who wants to cultivate a rural plot must arrange, if possible, the share his car with other gardeners.

LOVER OF LIFE. By Zolt Harsanyi. G. P. Putnam's Sons, \$3.00. A rather remarkable book picturing in fiction the life and times of the Flemish painter, Peter Paul Rubens. The author is addressing the book, not to scholars, but to the reader, so he tells what Rubens did and thought; tells of his contacts with statesmen and rulers and prelates; of his two wives and his many children. Western Europe at the onset of the seventeenth century was a dense political jungle and Rubens had his part in it as well as in art. The book gives an excellent picture of that phase of Rubens' life.

Book Reviews

Books Reviewed Here May Be Obtained At The Lima Public Library, Main Library

By MARY L. ECKFORD
"TRACEY CROMWELL." By Conrad Richter. Alfred A. Knopf, \$2.00.

Conrad Richter, you will remember, was the author of the beautiful book about early Ohio "Trees." In his new one he deviates from the novel built on description and background and produces characterization with acute perception. Tracey Cromwell is the story of an unconventional woman who wanted very much to make good as a mother of adopted waifs and strays. But the "good" women of the community combine against her. It is a stock situation and in the hands of a less distinguished writer could be sentimental. But Richter handles it deftly and intelligently against a background of a Western mining town.
