The liver should pour out about 2 pints of bile juice into your howels every day. If this bile is not flowing freely, your food may not digest. It may just decay in the howels. Then gas blonks up your stomach. You get constipated. You feel sour, sunk and the world looks punk.

It inkes those good, old Carter's Little Liver Pilis to get these 2 pints of bile flowing freely to make you feel "up and up." Get a package today. Take as directed. Effective in making bile flow freely. Ask for Carter's Little Liver Pilis. 10g and 25g. WARNER OHIO
