

Anne Shirley Protects Eddie Albert In State's New Show

"Lady Bodyguard" And "Henry Aldrich Gets Glamour" Are Cofeatured In Program Opening Thursday

Coming Thursday to the State will be "Lady Bodyguard," in which Anne Shirley plays an insurance executive and one of her jobs is to see that Eddie Albert, a test pilot for an airplane company, comes to no harm. "Henry Aldrich Gets Glamour," with Jimmy Lydon as Henry, also will open. Ending Wednesday will be "The Crystal Ball" and "Shadow of a Doubt."

One of the strangest love stories in years is enacted on the screen by Ronald Colman and Greer Garson in "Random Harvest," new Sigma hit which is a romance of an amnesia victim and a woman whose devotion finally unravels the tangled skein of his memory.

Tyrone Power, star of the thrilling new adventure film, "Crash Dive," currently at the Quilna, has a new sweetheart—pett Anne Baxter. On leave between his hazardous hitches at sea in the technicolor attraction, Tyrone does his best to make Anne see things his way.

Nearing the close of its run at the Ohio is "Bataan," a story which shows with gripping realism of a courageous group of Americans fighting a delaying action against the Jap invaders. Laid entirely in fox holes and swamps, its cast is headed by Robert Taylor.

Currently at the Lyric is "Sun Valley Serenade," starring beautiful and graceful Sonja Henie and John Payne. Also on the bill is a rollicking comedy, "Charley's Aunt," featuring one of Hollywood's finest comedians, Jack Benny.

Opening Wednesday at the Drive-in theatre on the S. Dixie is "The Talk of the Town," a fine picture starring Cary Grant and lovely Jean Arthur.

Deanna Durbin's latest and most eagerly awaited picture, "The Amazing Mrs. Holliday," comes Friday to the Ohio theatre. The new film, Deanna's eleventh in her series of successes dating from "Three Smart Girls," is said to reveal the star as an outstanding dramatic actress as well as the most popular songstress of the cinema.

Produced and directed by Bruce Manning, the story is described as one of timely interest and importance. Action, for the most part,

takes place in the glamorous society circles of San Francisco while many exciting sequences are devoted to the perilous aftermath following Japanese encroachments in the Orient.

Deanna's vivid, grown-up personality is declared to be thrillingly displayed in her role of an American girl who, with a group of helpless little children, flees the Yellow Scourge. Noted players in the cast include Edmond O'Brien, Barry Fitzgerald and Arthur Treacher.

Esther Dale, Harry Davenport, Grant Mitchell, Frieda Inescort and Elisabeth Risdon are other well known Hollywood favorites in the cast.

Five vocal selections are presented by Deanna all of which are logically interwoven with the story movement. They are "Visi D'Arte" by Puccini, "The Old Refrain" by Fritz Kreisler and Alice Mattulath, "Mighty Lak A Rose" by Nevin and Stanton, "A Chinese Lullaby" translated by Madame Chang and a Chinese version of "Rock-A-Bye Baby."

One of the most envied members of the cast of new Technicolor film, "Crash Dive," was Ben Carter, colored comedian.

In the picture, which stars Tyrone Power at the Quilna theatre, Ben plays the part of a cook aboard a submarine. In one of the film's thrilling sequences, Power leads a Commando raid on a secret enemy submarine and refueling base.

While other members of the cast had to blacken their faces, several times for the scene, Ben was exempted from this messy part of the sequence.

"How do you get away with it," Tyrone kidded him.

"I don't know," answered Ben. "I guess I was just a horn Commando."

"Crash Dive" tells the heroic,

story of the brave men who man Uncle Sam's fighting subs. In addition to Tyrone Power the thrilling film features lovely Anne Baxter, Dana Andrews, James Gleason and Dame May Whitty.

The rest-pause that refreshes

Welcome in peace... more welcome in war work

MANAGERS and personnel directors will tell you that regular rest-pauses plus the refreshment of ice-cold Coca-Cola increase contentment in their plants. Thus production is increased.

A pause for Coca-Cola is a little thing in itself, but one of the little things that brighten a busy day.

You might think it strange that workers have such a welcome for a 5¢ soft drink. But Coca-Cola has something all its own in goodness. Made with a finished art, its taste always pleases. More than just quenching thirst, it brings a happy after-sense of complete refreshment. The only thing like Coca-Cola is Coca-Cola, itself.
