From the depths of his 18 pound dictionary Haven MacQuarrie will discover the word "beauty" with the appearance of the lovely Universal picture player, Janis Carter, who will invite the lucky service men on the program to be her guest at dinner following the broadcast of "Noah Webster Says" on Tuesday, at 8:30 p. m., EWT, over WJZ.

Eddie Dean, the singing "foreman" of "Rancho Canova" who made a major impression with his brief appearance on the opening Judy Canova show last week, will be back with another mountain-music tune on the broadcast of Tuesday, 8:30 p. m., EWT, over WJZ.

Victor Romano, who fought with the Royal Canadian Air Force in the Battle of Britain, and now is a first class private in the U. S. Army, will be the central figure in the "Service Story of the Week," on "Salute to Youth" on Tuesday, at 7:30 p. m. EWT, over Station WJZ.

How an over-eagerness to be of service can sometimes be a detriment to the war effort will be demonstrated in "Heat Wave," accident prevention drama to be offered on the "Men, Machines and Victors" program over WJZ, Tuesday, at 7:15 p. m., EWT.

Fatsy Kelly, who came by her Brooklyn-Irish accent the right way, will lay it on thick and heavy as an antidote for Johnny Mercer's thick-coated Southern drawl when she guests on the singer-songwriter's "Music Shop" show Tuesday, (WEAF, 10 p. m. EWT).

## War Pictures Dominate On Screens In Lima Theatres

### Thrilling Air Force Film Slated To Open At Drive-In; Betty Grable Has Starring Role At Quilna

Opening Wednesday at the Drive In theatre will be "One of Our Aircraft is Missing," packed with adventure. Principal roles are taken by Godfrey Tearle and Eric Portman. Ending Tuesday will be "Commandos Strike at Dawn," with Paul Muni and Lillian Gish.

When a Latin from Manhattan meets up with a boisterous blonde there's bound to be fireworks! And fireworks there are in "Coney Island," the gay technicolor musical currently at the Quilna, when Cesar Romero and Betty Grable get together. George Montgomery, Charles Wmanger and Phil Silvers also have big parts.

Spring Bvington plays Judy Garland's understanding mother in "Presenting Lily Mars," the Ohio attraction. Co-starring Miss Garland and Van Heflin, the film depicts the struggles of a young amateur actress to reach stardom on the stage.

Tuesday and Wednesday will be final days for the showing of "This Land Is Mine," at the State. A war film, it features Charles Laughton, Maureen O'Hara, George Sanders and Walter Slezak. The co-feature, "Good Morning, Judge," stars Dennis O'Keefe and Mary Beth Hughes.

Many Lima and area persons who saw "King Kong," when it appeared here years ago, will have another chance to see it at the Lyric on Tuesday and Wednesday. Also on the program will be "Gunga Din," starring Cary Grant and Victor McLaglen.

Ending Tuesday at the Signum will be "Five Graves to Cairo," a hit dealing with the rout of General Rommel. Franchot Tone, Anne Baxter and Erich Von Stroheim have three leading roles. "Yanks Ahoy," starring William Tracy and Joe Sawyer, also is showing.

## AUTO HITS BOY AS HE RUNS TO CATCH A BUS

An 11-year-old boy suffered slight injuries Monday when he was struck by an automobile in the Public Sq. The child, Robert Basinger, of 637 S. Main-st, had alighted from a Bellefontaine-bus and was running to catch a S. Main-st bus, traffic officers said.

The driver was not held to blame, police reported, but the investigation revealed that he was driving with improper license plates. Charges were filed and he was ordered to appear Tuesday in municipal court.

## NAVAL OFFICER RESCUED WHEN VESSEL IS SUNK

Lieut. (s. g.) Thomas W. Heil of the U. S. Navy Medical corps, lost all of his belongings, but was rescued without injury when the American transport McCawley was sunk by the Japanese in the South Pacific June 30, it has been learned by his parents, Mr. and Mrs. Harry H. Reul, 658 W. Market-st.

Commander Thom W. Geohagan of Postoria was emergency officer on the McCawley. The transport was sunk after it landed troops on Rendou island in the Solomon group during operations there. A submarine dealt the death blow after it had been disabled by Japanese torpedo planes, according to a Navy announcement of the sinking.

Lieut. Reul had served for 11 months aboard the vessel, which was the transport flagship of the South Pacific fleet, and which led the first battle at Guadalcanal, and was engaged in every major encounter in that war theater.

Whether you like your music hot or sweet, Producer William Perlberg has included enough of each. The new numbers, dreamed up especially for Betty and "Coney Island" by those top tunesmiths, Leo Robin and Ralph Rainger, include "Take It From There," "Beautiful Coney Island" and "Miss Lulu From Louisville." According to preview reports, these numbers are nifty — especially the last one, which Betty sings in blackface!

To vie with these there are such nostalgic melodies as "Put Your Arms Around Me Honey," "When Irish Eyes Are Smiling," "In My Harlem" and "Cuddle Up a Little Closer." All of these are enclosed in appropriate production numbers intricate dances and dazzling costumes — not forgetting, for a minute, the delectable presence of La Grable out in front most of the time!

You could stop right there for that is enough to convince all moviegoers that in "Coney Island" the Quilna theatre has entertainment par excellence!

George Sraton's screen play, from which Director Walter Lang worked has taken the riotous playground of old New York with its breath-taking beaches and bush-bush excitement and exhaled a story as colorful as a side show circus, and as thrilling as the dancing doppelgangers.

RETREAT WITH STILLWELL. By Jack Belden. Alfred A. Knopf, \$3.00.

Altho the Allied campaign in Burma ended in tragic and utter defeat, it should not be forgotten in the triumph of recent victories in Africa and Sicily. Jack Belden, a newspaper correspondent, tells the story of the fight across Burma to India of a little band of soldiers, civilians, and Burmese nurses, led by the American Lieut. Gen. Stilwell.
