

Maxie Rosenbloom Guest On Bill Stern Sports Program

"Parker Family" Puts Up With "Interference By Richard"; Blonde Takes Nick Charles For A Ride

Maxie Rosenbloom, former light-heavyweight boxing champion who stepped from the squared circle to the klieg lights, will be guest of Bill Stern on his "Sports Newsreel" Friday over WEAF at 10:30 p. m. (EWT.) Maxie, who danced and jabbed his way to the title, later left the prize ring to dance and "sing" at his own night club on the Pacific Coast.

Richard plays matchmaker, and Nancy decides that while he may not be Cupid, he is something that rhymes with it, in "Interference by Richard," the adventure of "The Parker Family" which broadcasts on Friday at 8:15 p. m., EWT, over Station WJZ.

Ordinarily Nick Charles would welcome the offer of a ride from a beautiful blonde, but when the invitation is made at the point of a gun, Nick feels more alarm than pleasure, in "The Case of the Green and Purple Shorts," this Friday's riotous episode of "The Adventures of the Thin Man." (WABC, 8:30 p. m., EWT.) Nick is further disconcerted when the blonde forces him into a strip tease. And Nora gets little peace of mind when a stranger delivers an envelope containing full details on his own impending murder.

Bea Wain, one of radio's top-flight singers, is the new feminine soloist on "Your All Time Hit Parade" (WEAF, Friday, 8:30 p. m., EWT) beginning Aug. 6. Bea replaces Martha Stewart, who is leaving for Hollywood to be featured in MGM film musicals.

The Duffel Bag on Bob Hawk's "Thanks to the Yanks" program Friday, 9 p. m., over WABC, will go to the DeRidder Army Air Base, DeRidder, La. The Duffel Bag contains the cigarettes designated by contestants who fail to answer their question, and it goes to army and navy posts in the country which are off the beaten path and likely to be passed up by entertainments units. The salute to the hero of the week on the program will go to Lt. Joe Resiecka of Westmoreland, Calif. The 23-year-old first lieutenant, a War Hawk pilot, took part in one of the American aerial victories in the Solomons, shooting down three Japanese bombers

LEGISLATION TO BE EXPLAINED AT CIO MEETING

International Secretary Of Union Main Speaker At Rally

Legislation, both state and national, will be the principal theme of the Town Hall Meeting which will be staged at Lima Stadium at 8 p. m. Sunday, sponsored by the Allen-co CIO council. It will be labor's first organized venture into political circles here, with a view toward victory in the war.

James B. Carey, of Washington, D. C., international executive secretary of the Congress of Industrial Organization, (CIO), will be the principal speaker. He will discuss national legislative issues while Ted F. Silvey, executive secretary of the Ohio CIO, will talk on state legislative matters. Carey's subject will be "National Legislation for Victory." That of Silvey has been announced as "The Labor Program and the War Effort."

Victor Barnes of the district headquarters of the Office of Price Administration, Toledo, will speak on "Why Price Control?" All political candidates in the present race as well as political leaders of the county have been invited to attend the affair and to be introduced from the rostrum. Time will not be sufficient to permit any to speak.

Paul E. Bowers, president of the Allen-co CIO council, who will act as master of ceremonies, said Friday that it will be labor's first venture into politics in this area. It is a part of a nation-wide movement thru which the CIO is attempting to acquaint its own members as well as all other citizens
