Babe Ruth To Tell Youths How To Crash Big Leagues

Friday The 13th Proves Nightmare For Nick And Nora Charles In "The Case Of The Prophetic Kazoo"

Babe Ruth, one of baseball's greats, will be guest of Bill Stern on his "Sports Newsreel" Friday, (WEAF, 10:30 p. m., EWT). Ruth, who will be asked by Stern to tell the youngsters of today what their chances are of reaching the top in the big leagues, will be speaking from first hand experience, as the Babe was in a Baltimore orphanage in the early stages of World War I. He broke into baseball at a time when a youngster was given little encouragement by veteran players; when a rookie had to fight his way up.
