Allen-co Grangers To Hold Picnic Sept. 4

Hundreds To Assemble At Faurot Park

Final plans were being mapped this week-end for the annual Allen-co Grange picnic which will be staged Saturday, Sept. 4, at Faurot park

Several hundred persons representing the 14 granges in the county are expected to be present and to participate in the various contests.

Members of the picnic committee include: James H Warner, H. T. Morris, Weldon Parlette, George Stemen and Mrs. Ossie Humphreys.

The affair is scheduled to start at 10:30 a. m., slow time, and a basket dinner will be served at noon, slow time. Arrangments for the dinner are in charge of the county home economics committee.

One of the highlights will be a kittenball game between members from the east and the west sides of the county. George Hoover will secure a captain and have a team on the field made up of members of west side Granges, namely Spencerville, Jennings, Marion, Shawnee, Riverside, American and Leatherwood. H. T. Morris will select a captain to head the east side Grangers representing Richland, Ruth, Jackson, Auglaize, West Newton, Perry and Sugar Creek.

Grange officials announced that the kittenball tournament held in previous years will be discontinued.

Officials pointed out that all contestants must be members of an Allen-co Grange or if under 14 years a member of a Grange family.

NEW YORK, Aug. 21—(AP)—Further light selling gave the stock market another jolt today and leaders finished a generally unsatisfactory week with losses of fractions to 2 or more points.

Commitments were trimmed, as in yesterday's session, on the idea the neutral zone would be more comfortable over a week-end thought to hold the possibility of big military developments abroad.

The Associated Press 60-stock average was off .4 of a point at 49.4 and on the week showed a net loss of .6. Of 651 individual issues traded, 458 were down, 71 up, and 145 unchanged.

Transfers totalled 26,150 shares against 209,800 last Saturday.

Prominent on the retreat were Chrysler, General Motors, Santa Fe, Union Pacific, Du Pont, Dow Chemical, Pan-American Airways, American Airlines, United Aircraft, J. I. Case, Goodyear, Montgomery Ward, Paramount Pictures and American Can.

Steels, coppers, utilities, oils and golds generally held to a narrow range. Minor advances were retained by American Telephone, Standard Oil (NJ), Anaconda and

Fund Campaign For Livestock Show To Start

The campaign to raise funds to finance the first Allen-co Junior Livestock Show will be launched Monday in Lima and the county. The show will be held Sept. 17 and 18 on the Hughes farm on U. S. Route 30 S just east of the city.

Dale Jennings has been appointed chairman of the finance drive for the City of Lima while the township directors will head the drive in each of the 12 townships.

Membership in the Allen-co Livestock Show will be sold for $1. Funds raised in this manner will be used to pay the premiums offered for the show. No admission will be charged the days of the show o that this is the only way the show can be financed.

Announcement also was made by the show committee following a meeting Friday night that the premium list has been printed and is ready for distribution. It shows that premiums totaling $496.50 will be offered in the various departments.

There will be competition in swine, Jersey, Guernsey, Holstein, Ayrshire and Brown Swiss dairy cattle; Shorthorn, Hereford, Angus and steers in beef cattle; Shropshire, Oxford, Dorset and other sheep as well as market lambs and in poultry.

There also will be a contest in showmanship and a judging contest during the two-day show. The show is open to 4-H club members and vocational-agriculture students in Allen-co high schools.

Grains Fall As Undertone Turns Easier

CHICAGO, Aug. 21—(AP)—An easier undertone prevailed in all grains today following trade reports the War Food Administration might renew its guarantee to farmers to pay any advance between now and Oct. 31 in corn ceilings in an effort to get more of the grain into terminal markets.

Rye suffered the worst setback, dropping about a cent at times, but trade generally was on a small scale. Activity was restricted by uncertainty over what measures would be involved in the government's program to roll back food prices to the levels of Sept. 15, 1942.
