They have heard little or book.) nothing about science.

Here are other notes about the Namagua branch of the Hottentots

They have witch doctors who claim to cure the sick.

"One day a Dutchman watched the killing of a sheep when a doctor was called to cure a sick man. A bit of flesh from the back of the sheep

was rolled into a kind of pill, and this was given to the patient. "A day of two later, the witch doctor came back. He made small cuts in the stomach of the sick man, then seemed to pull out a small

snake and a lizard!" You and I feel sure that the witch doctor carried out a magic trick. No doubt he wore loose clothing, and had the snake and lizard hidden in a pocket or sleeve. That way of trying to stop light- To the Hottentots, however, it
