Kellermeier, agent in charge of this office, stated Saturday that all persons who can do so should visit the office during the day, however, to make it possible for those who cannot get there during the day to be served in the evening.

He pointed out that Wednesday is the final day for filing the declarations on estimated income for 1943 without penalty. The deputy also suggested that wives take the returns to the office during the day if the husband is working and get the blank filled out so the husband can sign it in the eve-ກາກຊ

The wallet of Veland J. Chamberlain of Kenton, has been returned to its owner after a trip to North Africa.

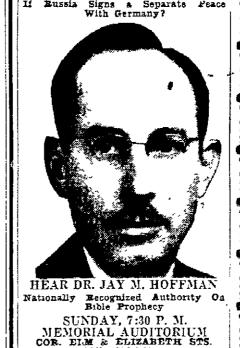

Recently Chamberlain, who works at the Lima Tank Depot, received an envalope containing his wallet and \$4.20 together with a letter from Pvt. Roy Blair of the 476th Ordnance Evacuation Company stationed in North Africa.

The Kenton man had dropped his wallet containing \$4.20 in an M-4 tank which was being shipped from the depot several months ago and did not know it was gone for several hours. The wallet, money intact, still was in the tank when it arrived in Africa and was uncrated by a crew including Pvt. Blair.

"I suppose you work in the lank depot," the soldier writes.
