

Pat O'Brien Portrays Life Of Famous Football Coach

Pat O'Brien, who stars in "The Iron Major," screen biography of the late Major Frank Cavanaugh, famed football coach, will give listeners a preview of the film when he is guest on the "Kate Smith Hour" Friday (WABC, 7:00 p. m., EST).

Jimmy Durante provides the hook and Garry Moore the ladder, as they demonstrate how to run a modern fire department (the wrong way) on Friday, at 9 p. m., over WABC. Musical highlights are Jimmy's "Who Will Be With You When I'm Far Away," Georgia Gibbs' solo, "Close to My," and Roy Burg's orchestral arrangement of "Put Your Arms Around Me, Honey."

A hero in the Kiska bombing during the Aleutian campaign, Aviation Machinist's Mate Charles R. Diener, will receive the Navy Air Medal during WJZ's broadcast of the salt water variety show, "Meet Your Navy," Friday at 7:30 p. m., EST.

Capt. George C. Montgomery, C. O. of the Navy air station at Glenview, Illinois, will air the honor to Diener. Duward Kirby, emcee of the program, will interview Aviation Machinist's Mate Charles Flanking, veteran of many South Pacific aerial dog fights, and Pilot Byron Brigham, who tours targets for aerial gunners in training.

For no rhyme or reason, except that it's a swell number, Frank Black opens the "Cities Service Concert" with Cole Porter's "For No Rhyme or Reason" Friday, (WEAF, 7:00, EST). Lucille Mannors sings Liszt's "Liebestraum," Ross Graham offers "Brown October Ale" from "Robin Hood" by Dekoven.

MEDICAL TEST IS SCHEDULED

(Special To The Lima News) BLUFFTON, Oct. 29 — In line with accelerated educational programs and in cooperation with the Association of American Medical Colleges, Bluffton college is giving the medical aptitude test at College hall at 3 p. m., Nov. 5, to college students and high school seniors planning to study medicine. It has been announced by Dean J. S. Schultz.

The new departure in the association plan is the opening of the aptitude test to high school seniors; heretofore only college students taking premedical training were eligible.

Bluffton college, acting in behalf of the association will admit any high school senior from this region to the test. It has nothing to do with the local program of the college.

AUTO THEFT CHARGED

CELINA, Oct. 29 — Mercer-co. Juvenile Officer William Baucher has gone to Vincennes, Ind., to bring a 16-year-old boy back to answer charges of auto theft. The boy is said to have driven away last Monday in an automobile which belongs to Robert Courtney of Celina. He was picked up by the Vincennes officers and held until Baucher went for him.

REPRESENTATIVE OPPOSES ALL NEW TAX LEVIES

WASHINGTON, Oct. 29 (AP) — Rep. Earl Lewis (R-Ohio) wants congress to stand against any new taxes until government expenses go down. Lewis said in an interview he would refuse to vote for a revenue bill unless administrative spending was cut "substantially."

He added that he believed expenditures could be reduced sharply without interference with the war program or necessary civilian activities. He expressed doubt a sales tax ought to be imposed.

Baby carriages first were introduced in New York City in 1848.
