## Expose Jap Ambitions To State's Screen Coming

A vivid exposure of the Japanese psychology and world ambitions as well as their methods in attempting to obtain them is carried in "Behind the Rising Sun" which opens Thursday at the State. Also included in the State's double feature is "Always a Bridesmaid." Closing Wednesday at the State are "Watch on the Rhine" and

"Saludos Amigos."

The popular musical and dance picture, "Week-End in Havana" is co-featured with "Paris After Dark," treating with the Nazi spy situation in France and currently on the Quilna screen. "The Good Fellows" and "Some-

where in France" open Wednesday at the Sigma theatre. The former is a story of a small town lodge and the latter carries on with the international situation. Submarine warfare furnishes

the subject for "Crash Dive," with a great deal of action, while an interesting western, "Pirates from the Prairies" now are being shown as a twin bill at the Lyric.

"Let's Face It" with Betty Hutton supporting the laugh-master. Bob Hope, is playing at the Ohio

## SEES EXPANSION OF FROZEN FOOD LOCKERS

COLUMBUS, O., Nov. 10 -(AP)-Ray Farquar of Omaha, Neh., secretary of the Association of Locker Equipment Manufacturers, forecasts vast expansion of frozen food locker plants during 1944. Addressing 100 plant operators

at the association's convention here, he said the 1944 program, now under way, called for erection of 1,600 such plants and plant expansion during the coming year, mainly in rural areas.
