filled by women and older men.

This sketch of the Great Comet of 1882 was made in November of that year, and gives only a faint

idea of the glorious sight seen by the public in September.

"Your stories about comets made me think of a comet I saw in Sentember 1882. There is again on later nights."

"It is a realist vision remained in sight until sunrise, when I watched to comet I saw in 1882. I am old now, but I have not forgotten that wonderfully beautiful sight. but I have not forgotten that won-derfully beautiful sight.

"A reader, "Mrs. V. H. C. Goodwin" Thank you, Mrs. Goodwin, for months.

not alive back in 1882, and I. my-than in the middle. self, did not reach the earth in time to see the fine sight of which you the comet seems to have been excited when they saw it in the apart from it on October 9 and sky.

The Great Comet of 1882 was a part of the month of September. For more than two weeks it was scrapbook.) plain to the view of people who watched at the right time, even though they had no telescope. It was seen by astronomers through telescopes over a period of nine
