tion plan of Rep. Joseph R. Bryson, (D-S, C.), but - and this Y may please those who like the cup that cheers-the nudority want

William J. McDermott, chief. clerk of the house bill room, said it would take days to count all the names on the 1.000 to 1,100 petitions that have been sent in, but! estimated that they totaled about 300,000. He said about half the petitions favored the Bryson bill but that from the standpoint of number of signatures, the antiprohibition circulars had a big H edge.

The bill, now before a house judiciary subcommittee headed by ۳P Rep. Sam Hobbs, (D-Ala.), would prevent the sale of alcoholic beverages containing more than 1/2 of 1 per cent alcohol "until the concluson of the present war and thereafter until the termination of demobilization."

Much of the opposition has come from the brewing centers of St. Louis and Milwaukee although liquor interests deny any part in the movement. McDermott said one

of the largest petitions, bearing 80,000 signatures, came from Milwaukee. **Uncle Ray's**
