DROP STUDY PLAN ITHACA, N. Y., Jan. -- (INS) -Dr. Leonard B. Job, president of Ithatca college, has decided to abandon Ithaca's plan for a speedup study program permitting graduation in three years. One of the first colleges in America to adopt such a program, Ithaca has dropped it because "there is no longer the strong pressure felt a year ago to accelerate the training of women for civilian employ-

ment," Dr. Job said. There are only about six-hundredths of an ounce of calcium in a gallon of sea water, but the oyster builds up its heavy shell of calcium, and corals form whole islands by collecting this element.

Altho a legume, peanuts do not

add nitrogen to the soil, as do
