SOME LAPPS EAT "WHITE DU ST" FOUND IN NORTHERN EU

Have you ever heard about ne-groes who eat earth? Many a bound of soil has been eaten by negroes in certain parts of the Carolinas and Florida. How much good this has done them, I cannot say, but it has been reported that they are very fond of soil taken from special places.

Stories about those negroes have been published from time to time, but I have seen nothing printed in

wagon-loads of mountain meal have been taken from the Lollhagysyon district in Swedish Lap-

under the microscope. A scientist animals because millions and mil-

mains, have been studies under the microscope.

In addition to the mountain meal | scrapbook.) districts, there are other places where the soil contains the remains of great numbers of tiny animals and plants. The day may come when it is proved that soil with such remains has special mids.

lions of them are alive today. The value. Until then, at least, I shall living animals, as well as their re not make earth a part of my own diet! (For Nature section of your
