Dorothy Lamour To Guest On Abbott-Costello Show

Dorothy Lamour, the girl whose sarong causes more lovesick sighs than the world can count, will guest on the Abbott and Costello program Thursday, 9 p. m., EST, over WEAF.

Miss Lamour star of Rainbow Island, new picture soon to be released, will co-star in a sketch with Bud and Lou and will trade wisecracks with the Abbott-Costello troupe which includes Billy Gray as "Little Matilda," and Mel Blanc as "Rugs."

Confusion of a V-mail letter with an English composition puts Henry on the spot in "The Aldrich Family" Thursday, WEAF 7:30 p. m., EST.

Henry's troubles, as usual, are manifold. No one else would write an English composition on V-mail stationery but you know Henry. It was handy. But when he mails the composition and turns in the letter to his English teacher, Henry finds he has been disastrously indiscreet.

Baby Snooks is no "Dummy" as Daddy finds out to his discomfort on the all-out fun fest program Thursday over WEAF at 7 p. m., EST.

When the Higgins arrive at their swanky hotel, Daddy (Hanley Stafford) tries to save money by taking a single room. The manager comes up to the room to greet Daddy and finds Snooks (Fanny Brice) hiding under the bed. When Snooks won't keep quiet things go from bad to worse as Daddy plays ventriloquist, pretending Snooks is a dummy — which she isn't, to Daddy's sorrow.

Marilyn Maxwell, songstress now featured in the film "Swing Fever," will accept Bing Crosby's invitation for a return guest appearance on his show, Thursday at 8 p. m., EST, over WEAF. Comedienne Cass Daley, previously announced, will participate in "The Groaner's" half-hour festivities.

Sixty tooth paste tubes contain enough tin to solder the electrical connections of one Army training plane.

ON-SPOT RADIO SERVICE DENIED TO REPORTERS

LONDON, Feb. 17—(AP)—Delayed dispatches from the Anzio bridgehead below Rome said today that the Allied commander had banned the use of on-the-spot radio facilities to news correspondents, decreeing that news copy must be carried by courier service and censored at base headquarters on policy as well as security grounds.

A Reuter's dispatch, dated Feb. 13, said that Lt. Gen. Mark W. Clark's command had taken this action because of annoyance caused by some press dispatches concerning the beachhead operation. The dispatch said there was criticism of reports which called the beachhead another Tobruk or Dunkirk.

Norman Clark, representing the combined British press, said in a dispatch also dated Feb. 13 that this "bridling" of the correspondents' attempts to represent the day-to-day situation correctly "must not be allowed to stand."

SCHOOL TEACHER IS KILLED IN PLUNGE

CINCINNATI, Feb. 17—(AP)—Mrs. Martha Schrickel, 31, a former school teacher, plunged to her death yesterday from the 26th floor of the Carew Tower, the city's tallest office building. Coroner Frank M. Coppock, Jr., issued a verdict of suicide.

The victim, wife of Harry Schrickel, a former philosophy professor at Carnegie institute at Pittsburgh and now in the Navy stationed at Great Lakes Naval Training Station, leaped from a window in an elevator lobby, Detective Benjamin Schafer said.

Schafer quoted a witness as saying Mrs. Schrickel raised the window, stepped back, got a running start and dived headfirst thru the opening. The body landed on a six-story offset.

Canada reports a 50 per cent increase in law violators in 1942 over 1936.

MILLIONS HERE EXPECTED ATTACK

It happens every year. There is always a time when it seems like everybody has a cold attack. At this time be prepared and remember Penetro, a salve with modern medication in a base containing same kind of old fashioned mutton suet grandma used. Works 2 ways (1) Inside, Penetro's specially medicated vapors soothe and comfort, help reduce nasal congestion. (2) Outside, Penetro acts like a helpful plaster as its counter-irritation warms, stimulates circulation at the spot where it is applied. 25c. Double supply 35c. Always be sure to demand Penetro.
