"Cross Of Lorraine" Opens Thursday On State Screen

Pierre Aumont, star of the French stage and screen plays a leading role in "Cross of Lorraine" which opens Thursday at the State theatre. Gene Kelly, also comparatively new to the screen, is the other starring player. The co-featured film will be "Swingtime Johnny" while "Thousands Cheer" and "Land Beyond the Law" will close Wednesday

Growl about war-time conditions if you wish but take a look at the mis-happenings Paulette Goddard and Fred MacMurray undergo in "Standing Room Only" at the Ohio theatre and get a laugh from the situation.

Technicolor and glamour girlswhat could be a more beautiful combination. All this and romance too may be found at the Quilna film house where "Cover Girl' is the current offering.

"A Star Is Born" and "Made For Each Other" are sharing feature honors at the Sigma theatre on a popular demand engagement. Another gorilla picture is thrilling audiences at the Lyric theatre where "Nabonga" is now co-billed with "Old Barn Dance."

The Lima Drive-In theatre now projects "This Land Is Mine" on its screen.

OHIO

The road to screen stardom wasn't covered with roses for big six-foot-four-inch Fred MacMuray. This popular made film hero had to do it the hard way, first tooting a saxophone for his bread and butter and later leading a dance band called the "California Collegians."

While Fred is not called upon to display his musical talents in showing "Standing Room Only," at the Ohio theatre and in which he's currently co-starred with Paulette Goddard, there have been occasions when the big fellow gave out with some hot notes. This time, instead of tooting a horn, Fred teams with lovely Paulette as one-half of a butler- AS CASUALTY cook combination in crowded Washington, and the resultant comedy which follows is far more entertaining than anything music might provide.

Ex-Constipation Sufferer Praises Kellogg's All-Bran

Taking nasty doses-for constipation due to lack of "bulk" in the diet? Then read this letter. Ine diet? Then read this letter.

I wish to submit this voluntary testimonial about KELLOGG'S ALL-BRAN as a temedy for constipation. For years I found it necessary to take so-called patent laxatives. They gave me only partial aid. Since starting to use KELLOGG'S ALL-BRAN I have discarded artificial aids. My leason for sending this note is to help those who are in the same boat I was. Wim F Iraser, 90-10 Barr Flace, Hudson Heights, N. J.

More and more naonle write in

More and more people write in about the joyous relief they get from KELLOGG'S ALL-BRAN. It really gets at one common cause of constipation - lack of certain cellulosic elements in the diet. For ALL-BRAN is one of Nature's most effective sources of these elements, which help to fluff up and prepare colonic wastes for casy, natural elimination. Remember, KELLOGG'S ALL-BRAN is not a purgative or medicine, it is a grain cereal - a gentle-acting "regulating" food.

If your constipation is due to a bulk-deficiency in the diet, eat KELLOGG'S ALL-BRAN regularly, as cereal or in several muf-fins. Drink plenty of water. See if you don't enjoy lasting relief. Get genuine ALL-BRAN, made only by Kellogg's in Battle Creek.
