Ed Gardner, the Archie of "Duffy's Tavern," turns dramatic actor, when he stars in the "Suspense" thriller, "The Palmer Method," on Thursday, at 7 p. m., over Station WABC. The story, by Ernest Martin and Robert L. Richards, concerns a smart sleek forger who flees to Spain to escape the police, and decides to join Franco's forces. However, when an opportunity for larceny presents itself, he seizes it and promptly begins wishing he hadn't.

## "I STOPPED DOSING MY CONSTIPATION A YEAR AGO!"

Says Happy KELLOGG'S ALL-BRAN User

If you are still dosing your constipation, don't fail to read this unsolicited letter!

"I'd been troubled with common constipation for years. Tried many kinds of medicines for it. Then, just about a year ago, I tried KELLOGG'S ALL-BRAN. I ate it regularly, without missing a day. It helped so much, I have not taken one dose of medicine for constipation since. Now I confined myself to any diet!" Mr. S. P. Leabe, Charleston, Missouri.

Sounds like magic, doesn't it? But, scientists say KELLOGG'S ALL-BRAN can really "get at" the common cause of constipation — lack of dietary "cellulose" elements—because it is one of Nature's most effective sources of these elements! They help the friendly colonic flora fluff up and prepare the colonic contents for easy elimination. KELLOGG'S ALL-BRAN is a "get at" positive! Doesn't "sweep you out!" It's a gentle-acting, "regulating" food!

If you have constipation of this kind, eat KELLOGG'S ALL-BRAN, or several ALL-BRAN muffins regularly. Drink plenty of water. See if you don't find real relief. Insist on genuine ALL-BRAN, made only by Kellogg's in Battle Creek.
