

# "The Parker Family" Goes Fishing In Two Factions

The question of just how useful a woman is on a fishing expedition comes up in "The Parker Family," when Richard and his father set out in search of a few "Poor Fish," on Friday at 7:15 p. m., over Station WJZ. Richard's sister Nancy and his girl friend Louise are turned down flatly when they ask if they may come along, and so they organize a separate (and highly successful) expedition of their own. Leading roles in this comedy-drama are by Michael O'Day, Jay Jostyn, Mizi Gould and Patricia Ryan.

Jimmy Durante introduces another of his special songs, when he sings "Umbrigo," written by Irving Caesar with Jimmy's help, on the first Hollywood-originating broadcast of his Friday night comedy series with Garry Moore, on Friday at 9 p. m., over Station WABC. Durante and Moore, newly arrived in Hollywood to resume film work, will devote their sketch to reenacting highlights of the train trip across country. Garry tells another of his accelerated fairy tales, and The Schozzola continues his campaign for the presidency. Georgia Gibbs offers as her solo an encore performance of "Milkman, Keep Those Bottles Quiet," and Roy Bargy's orchestral number is "Is My Baby Blue Tonight?"

The Kingfish finds a brother-in-law who is worth something after all, on the Amos 'n' Andy broadcast of Friday, at 9 p. m. EST over WEAF. It all comes about when the lodge head decides to go into the restaurant business—figuring that as the safest way to keep on eating. The lunch-counter that

Adolphe Menjou and his wife, Veree Teasdale, plus the comedienne Patsy Kelly, are the "Stage Door Canteen" guest stars on Friday at 9:30 p. m., over Station WABC. This engagement will allow Miss Kelly to increase her record number of guest appearances on the "Canteen" series. Bert Lytell is the show's master of ceremonies, and Raymond Paige conducts the orchestra.

### NAZIS ISOLATE DANES; SWEDES

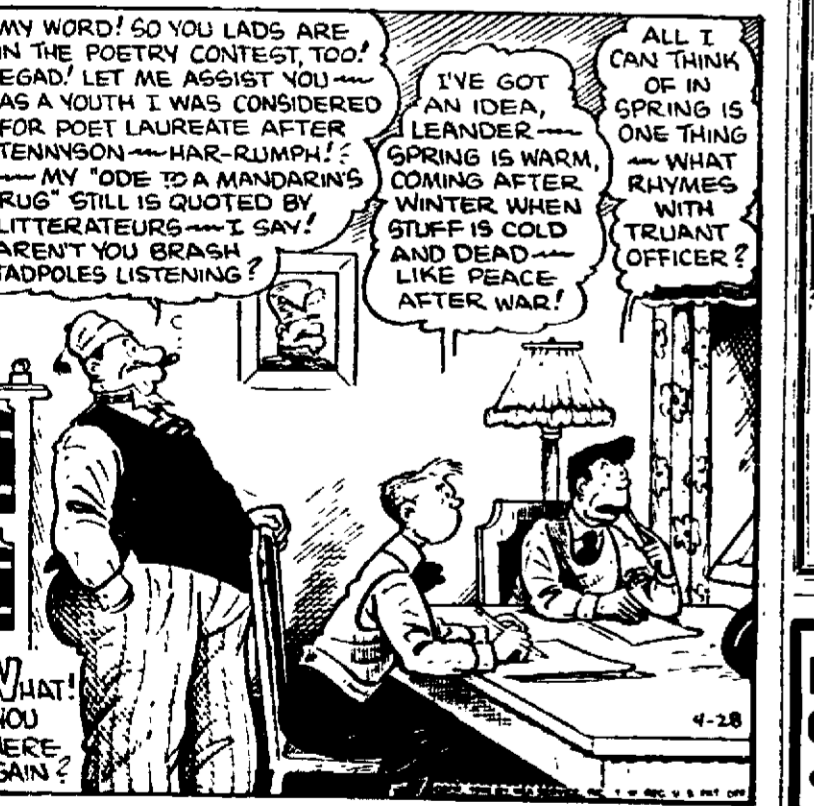

STOCKHOLM, April 28.—(AP)—Denmark was virtually isolated from Sweden today in a curious, unexplained German move linked possibly with invasion. Most quarters, however, were inclined to regard the disruption of communications as simply a German counter-offensive to the Allied war of nerves which reached new intensity with the recent British restriction on diplomats, and the latest move in London virtually forbidding travel. Among the flurry of rumors prompted by Denmark's isolation was the story the Germans were encountering some internal difficulties in Denmark. Free Danish circles had no confirmation.

### CEILING PRICES ON PETROLEUM CHANGED

WASHINGTON, April 28.—(AP)—The Office of Price Administration today announced the following changes in ceiling prices of petroleum products for Ohio, effective next Saturday. Except on tank cars or transport truck sales to consumers, refiners in Ohio no longer will determine their ceiling prices on gasoline by taking the Oct. 8, 1941 published price. On sales to resellers, ceilings will be established in accordance with their last sale price in the Aug. 15-Oct. 14, 1941 base period.

**PUTNAM SCRAP PAYMENTS NOW ARE BEING MADE**

(Lima News Bureau)

OTTAWA, April 28.—Payments are being made to farmers who contributed scrap metal to the last Putnam drive, it was announced here today by F. E. Warren, county salvage chairman.

Weight slips for the rural collection were lost in the transfer of records from one office to another and it will be necessary for farmers to present their duplicate weight slips to enable the officials to issue checks for the metal, the chairman explained.

This scrap is being sold to mills

and most of it has been moved to the mills. Warren said that the salvage committee wishes to thank the township officials and employees for making the collection highly successful.
