Popular Question Answered On Sunday's "Army Hour"

Where does it all come from and how do they move it after they get it to the other side? These have been perplexing questions to many who have seen mile-long freight trains snaking toward sea coasts laden with material for shipment to men overseas. How it reaches its destination will be explained on the "Army Hour" Sunday, (3:30 p. m., EWT), when the work of the Military Railroad Service, Transport Command of the Army Service

Forces, is demonstrated. That durable Dane, Victor Borge, who has survived the withering scorn of "Dr." Milton J. Cross in a pair of guest appearances, on "The Chamber Music So-! will continue as a regular mem- to war shipping schedules.
