# Cagney Opens Thursday At State In "Frisco Kid"

James Cagney, long a favorite of screen addicts, will open at the State theatre in "Friece Kid" on Thursday. The swash-buckling hero is again a two-fisted hard-headed ruler, this time on the famed Barbary coast. Co-billed will be "Around the World" with Kay Kyser and his band. Closing at the theatre Wednesday night are "Ali Baba and the Forty Thieves" and "Curse of the Cat People."

Lucille Ball, Dick Powell, and Vaughn Monroe and his orchestra have the leading roles in "Meet the People" at the Ohio. Betty Grable gives forth with

all her usual zest in "Pin Up Girl" now at the Quilna. Another of the Dr. Gillespie series is now showing at the Sigma under the title of "Three Men in

White." Completing the program is "Lumberjack." Current at the Lyric are "Arizona Whirlwind" and "Deerslayer".

Drive-In fans are now viewing "The More the Merrier."

The film should be of great in-terest to all members of the family and it's biographical value very timely as Shicklegruber approaches the end of his career of
