

Nick And Nora Charles Repeat Initial Success

That ideal married pair of super-sleuths, Nick and Nora Charles, bring their "Adventures of the Thin Man" to WEAF beginning Friday (8:30 to 9 p. m., EWT) and celebrate the occasion by presenting as their first program of the series the drama with which they made their bow on the air.

With "The Parker Family" busy doing its part toward making the most of womanpower, hypochondriac Cousin Jane arrives on the scene... and the Parkers find an appropriate job for her in the broadcast Friday at 8:15 p. m. over Station WJZ. The assignment, well suited to Cousin Jane's hobby (taking pills), raises another question, when the Parkers realize that if she stays in town, she'll want to remain with them. That problem is solved simply enough, tho, in a surprising plot twist. Members of "The Parker Family" are the Jany Joystyn and Marjorie Anderson and Mr. and Mrs. Parker. Mitzie Gould as Nancy, and Michael O'Day as Richard.

Connie Mack, veteran manager of the Philadelphia Athletics and oldest major league pilot, will be

guest on Bill Stern's "Sports Newsreel" Friday (WEAF, 10:30 p. m., EWT).
His air appearance with Stern will be his only radio guest spot during the year. Mack has made an annual stop on Stern's program for the last four years, except in 1943, when he was too ill even to manage his team.
Amos 'n' Andy will begin a well-earned summer vacation following their broadcast Friday at 10 p. m., EWT, over WEAF. The summer respite will be the first vacation that the comedians (Freeman F. Gosden and Charles J. Correll) have taken since 1934, and they are looking forward to it. The popular laugh-show resumes on Sept. 22, maintaining its Friday night half-hour schedule.
