Robert Taylor Featured In Film Coming To State

Robert Taylor comes to the State Thursday in his last film before reporting for active duty in the Navy. The film, "Song of Russia" is the story of the scorched earth policy of the Russian people as the Nazi government overruns its villages. Sharing the billing will be Donald O'Connor's "Chip Off the Old Block." "Standing Room Only" and "Swing Fever" will close Wednesday night.

Currently showing at the Ohio is "Lady in the Dark" with Ginger Rogers, Ray Milland, Warner Baxter and Jon Hall.

The Quilna now offers "Home in Indiana."

Reprints of two old but excellent films are now appearing at the Sigma under the titles of "Young in Heart" and "Nothing Sacred." Opening Thursday at the Lyric

are "Shooting High" and "The Moon is Down." Playing for the last times Wednesday are "Beautiful But Broke" and "Pride of the Plains.

Deanna Durbin displays her unusual talents in the picture "Amazing Mrs. Holliday" at the Lima Drive-In.

OHIO

When the dream sequence of "Lady in the Dark" at the Ohio theatre was photographed, a battery of twenty-seven spotlights followed every move of Ginger Rogers who co-stars in this eyefilling Technicolor production with Ray Milland, Warner Baxter and Jon Hall.

This is more light than has ever been focused on most other stars in all their films combined. There was a reason for using all this juice. It was to keep Ginger the fantastic forms.

triguing story of a woman's emotional repressions and their effect on her life. Ginger, as the "Lady," is analyzed by a psychoanalyst because she is moody and nervous. He delves into her past and into her dreams. The dreams are said! to be brought to life in a way to make audiences remember "Lady in the Dark" for a long time.
