

Betty Grable Guests On Stage Door Canteen Show

Betty Grable, favorite pin-up girl of hundreds of thousands of men in the armed services, airs a personal salute to the fighting men of the United Nations, when she appears on the "Stage Door Canteen" broadcast, over Station WABC on Friday at 10:30 p. m. Other prominent stars of the entertainment world will join Miss Grable in this program, which has Bert Lytell as master of ceremonies, and music by Raymond Paige's orchestra.

Nobody's more surprised than Nick when he discovers that his own beloved Nora is responsible for throwing him right into the arms of a famous movie star, in "The Case of the Celluloid Wolf," Friday's episode of "The Adventures of the Thin Man." (WEAF 8:30-9 p. m., EWT).

No matter what the thermometer says on Friday, Jimmy Durante plans to start a fire, as atmosphere for a fireside chat, in his broadcast with Garry Moore over Station WABC at 10 p. m. Jimmy, continuing his campaign for the presidency, reports his latest findings on the conditions that prevail, and the latest escapades of his campaign manager.

MOTHERS WILL HAVE VOICE IN PEACE PROGRAM

CLEVELAND, June 23—(AP)—American mothers who have given their sons in the fight for freedom will "have a voice at the roundtable of peace," the founder of the Blue Star Mothers of America said today at opening sessions of the third annual convention.

"At the peace table, when the war lords are called to task for their crimes, American motherhood will have a voice," Capt. George H. Maines of Flint, Mich., declared. "Already efforts are underway to present our plans for peace, our views and our hopes to the men who will represent the United States of America at that all-important conference."

Capt. Maines extolled the Blue Star Mothers as "the only—and I repeat—the only organization in this country, made up of mothers, which has no ax to grind, no policy to push, and above all, owes allegiance to no organization or faction other than the United States."

The national organizer promised the convention that so far as "I am concerned, this policy shall continue."

More than 500 delegates from 37 states registered for sessions today, Saturday and Sunday.
