

LIFE OF FIGHTING MEN SHOWN ON LIMA THEATRE SCREENS

GARY COOPER PLAYS COLORFUL ROLE OF DOCTOR IN FILM

War is back on the screen and these movies will illustrate the fearlessness and intrepidity of our men who are fighting for their lives and for the freedom they love so well. Under constant bombardment from the enemy you will note the gallantry of these men as they go into action.

"The Story of Dr. Wassell," playing at the Ohio theatre, portrays the action the Medical Corps sees in doing its duty. Gary Cooper, who portrays the part of Dr. Wassell, gives one of the greatest performances of his screen career. Perhaps the greatest jail break in all history was made by Roger Touhy and his henchmen. You can now see this break reenacted on the screen of the Quilna theatre with Preston Foster playing the title role in "Roger Touhy, Gangster." Playing with it is "Jamboree."

"Follow the Boys," opening at the Sigma, has a list of stars that are guaranteed to entertain you. The wonderfully enchanting story of the people whose business is making other people happy is presented with "Twilight on the Prairie."

Never forgotten is the story of Bataan and the gallant men who gave their lives for the protection of it. The nurses, who played next to the biggest part in holding that island, can be seen at the State theatre in "Cry Havoc" which is co-featured with "Slightly Terrific."

Playing for the last time at the Lyric theatre, is one of the funniest movies to hit town, "Mr. Muggs Steps Out," starring Leo Gorcey with the East Side Kids, will close Saturday midnight as a special preview of Monday's feature, "Sultan's Daughter" and "Detective Kitty O'Day" come in to replace it.

"Lost Canyon" and "Pvt. Buckaroo" will play for the last time Saturday as "Corvette K-225" opens Sunday at the Drive-In theatre.

LIFE OF DARING CRIMINAL IS PLAYING AT QUILNA THEATRE

No matter how "big" a criminal may be, he always comes to the same end of the road. Roger Touhy was one who thought this didn't apply to him—but despite his daring escapades, including the sensational escape from Stateville prison in Joliet, Ill., the law caught up with him. . . but good!

In the thrilling new hit, "Roger Touhy, Gangster" all the thrills of his violent life are brought to the screen—with a strong cast that includes Preston Foster, Victor McLaglen, Lois Andrews and Kent Taylor.

The film, now at the Quilna theatre, shows him as representing an era—an era for which there is no room today. Sharing the billing is "Jamboree."

BURLESQUE QUEEN ANN CURIO RAVISHING IN LYRIC FEATURE

Ann Corio is the ravishing star of "The Sultan's Daughter," the sparkling comedy-drama which comes to the Lyric theatre Saturday midnight for a special preview of Monday's feature. The title role gives her every opportunity to appear in the revealing costumes of the mysterious east, and to display the charms which for years made her one of the most potent attractions of the burlesque circuit.

Charles Butterworth plays the principal comedy role in this story of Oriental intrigue, and other important parts are enacted by Tim and Irene (Ryan), Edward Norris, Fortunio Bonanova and Jack La Rue, with Freddie Fisher and his orchestra to supply the music. Other members of an exceptional cast are Gene Oliver, Crispin Martin and Joseph J. Greene.

Playing with it is "Detective Kitty O'Day."

JOB REFERRAL PLAN ALREADY SHOWS RESULTS

BUND LEADER PLANS APPEAL TO HIGH COURT

PORTLAND, Ore., July 15—(INS)—An appeal to the United States Supreme court was planned today by counsel for John Hans Scheurer, former leader of the German-American Bund, whose citizenship was revoked last April by Federal Judge James A. Fee.

HOME LOANS ADD UP TO 20 BILLIONS SINCE '39

CHICAGO, July 15—(UP)—More home mortgages have been made in the last five years than were outstanding in 1939, and it is obvious that the FHA helped start the expansion in home-ownership credit, the United States Savings and Loan said.

rites held in NORMANDY FOR GEN. ROOSEVELT

U. S. FOURTH DIVISION CEMETERY, in France, July 15 (AP)—Machine guns battled in the distance and anti-aircraft fire burst in faraway clouds as military funeral services were held in the Normandy twilight last night for Brig. Gen. Theodor Roosevelt, Jr.

The general's son, Quentin, watched as his father's body was lowered by the French soil on which he had fought in two wars against German aggression. Quentin is a captain in the "Fighting First" division, which was his father's favorite. Beside the grave were six generals, including Lt. Gen. Omar N. Bradley, in command of all U. S. troops in France. Others included high-ranking officers of the First division and the Fourth division, of which Roosevelt was assistant commander when he died of a heart attack Wednesday.
