"Lifeboat" In Lima Return On Lyric Theatre's Screen

With nothing but the wild sea as their law, six men and two women are set adrift in a lifeboat after their ship has been torpedoed by a German submarine. More of this thrilling adventure can be learned by seeing "Lifehoat," currently playing at the Lyric theatre.

Complete with action, music and a superb cast, "Christman Holiday" is playing an engagement at the Ohio theatre. Stars featured in this

great hit are Deanna Durbin, Gene-Kelly and a newcomer, Dean Harens, Now you can see it. The short story "Address Unknown," that

has now been made into a flaming motion picture with Paul Lukas, Academy Award winner, and K. T. Stevens, new film find, in the leading roles. Sharing the billing at the Quilna theatre is "Louisiana Hay Ride.'

Topping all their other comedies. Olsen and Johnson are playing in "Ghost Catchers," the hilarious fun movie at the Sigma theatre. "Invisible Man's Revenge" is the co-feature.

Famed for its extravagance. "Lady in the Dark" is now playing at the State theatre. Showing with it is "Falcon Out West,"

Paul Lukas has done it again. The actor who received the Academy Award and Film Critics Award for the best performance of 1943 for his role in another and even more brilliant performance in "Address Unknown" now playing at the Quilna theatre. This is the picture adaptation of the book and Reader's Digest story which not long ago caused such a pational sensation. It is presented by William Cameron Menzies under Columbia release.

In "Address Unknown," it is not only the Lukas performance! which makes a meniorable and exciting theatrical experience. The power of the Kressmann defies comparison on the screen.

Usually, when movie players catch colds, they are given time off to recuperate. But not in the case of Alfred Hitchcock's production of "Lifeboat" by John Steinbeck, which opens Monday at the Lyric theatre.

There are only nine players in the suspenseful 20th Century. Fox sea drama in which the entire action takes place in an open boat adrift in mid-Atlantic. During the shooting of the film, all nine contracted colds from being soaked with sea spray and having

The power of the Kressmann Taylor story has lost nothing in the translation from printed page to screen, by Herbert Dalmas. If anything, it has gained in strength and emotion. It lingers in the eye's memory and the heart's feelings. The story that defied a nation and startled a world of readers, now defies comparison on the screen.
