

Savoy Solves Mystery Of Haunted House Thursday

The Democratic convention knocked Harry Savoy off the air last week but the Crown Prince of Confusion returns to WEAF Thursday, at 10 p. m., EWT, just in time to inherit a haunted house built by his scriptwriters. In this haunted manse is a gangster ghost who uses a microphone, because he claims he can haunt a million houses at once that way. Between laugh sessions there'll be singing by Benay Venuta, Paula Kelly and the Modernaires and music by Peter Van Steeden's orchestra.

Guest Professor Phil Harris, of Kay Kyser's "College of Musical THURSDAY, JULY 27.
