Laugh-Provoking Jack Carson Stars In Funny State Show

Jack Carson is at his funniest in the movie coming to the State CONVOY ATTACK theatre Thursday under the title of "Make Your Own Bed." Based on the current shortage of domestic help, the film goes gaily along its way, pointing out the many problems inherent in this situation and The Nazi DNB Agency claimed never once pretending to solve one of them. Sharing the billing is today that German E-boats had "Three Men in White"

Stirring in its dramatic portrayal of the first and second World War is the "White Cliffs of Dover" now showing at the Ohio theatre and stairing liene Dunne, Alan Marshal, and a stellar cast of many others.

You'll thrill to the magnificence of character displayed in the movie now at the Quilna theatre, "The Eve of St. Mark" is powerful in its tenderness.

Here he comes, on a horse this time, but as funny as ever. Joe E Brown opens at the Sigma theatre in "Polo Joe," one of his greatest hits returned by popular request.

Gene Autiv returns in a re-release of one of his best pictures. 'South of the Border." Smiley Burnette as his old stand-by, Frog also will be helping you to laugh the time away as he helps ride herd on America's greatest enemies as they try to establish a secret submarine base in the United

OHIO

"The White Cliffs of Dover" are to an Englishman what the Statue of Liberty is to an American. That is the theme of the film of that name, now at the Ohio theatre, starring Irene Dunne with Alan Maishal, Frank Morgan, Roddy McDowall, Dame May Whitty, C. Aubiey Smith and Gladys Cooper. Miss Dunne and Morgan work

in an early scene, which finds Morgan in bed. The setting is a Bloomsbury boarding house, a gray day showing London at its worst Morgan, as the flag-waytown newspaper in the United States, is fretting and funning, drawn up against a window down the panes of which rain is pour-
