"Is Russia as large today as it was before the first World war?' Russia is not quite as large as it was in 1914. Before the present The first man to take the title war started, the area was 323,000 fore that war. Much of Poland Russian history goes back much also was inside the borders of

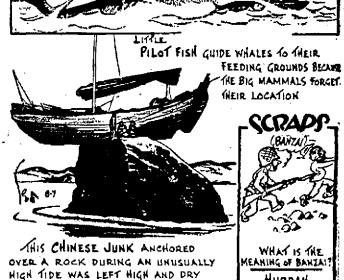

Russia took back Latvia, Lithuania and Estonia in 1940, but the next year Germany drove the Russians from those Baltic states. Lately the Russians have been driving the Germans out. We are told that Russia intends to keep the Baltic states after the present war is over.

"Does Russia have a just claim to eastern Poland?"

That is a hard question to answer. Russian leaders have said they do have a just claim, but not tween Poland and Russia. There date, the Poles were able to drive all Poles are ready to agree with were Poles and Russians on both the Russians back. When peace
