GO ON! I AM WITH YOU! NO DICE, ZERO! JUST A MOMENT, COZY! IF MY PLEAS WILL NOT TOUCH YOUR HEART—DUMP SOMEWHERE!

PERHAPS THIS WILL!

GOOOOO! NOW YOU'RE TALKIN' MY LANGUAGE!

YES, I AM VAN DORA! WHAT DO YOU WANT TO DO WITH ME?

I'M DRAKE FROM THE D.A.'S OFFICE! YOU'VE TAKEN A LOT OF PICTURES OF THIS GIRL! RECOGNIZE HER?

SAY-IT LOOKS AS THO' THAT BAD BLOOD BETWEEN THE TWO HAS BEGUN TO SHOW.

THEY'RE NOT KIDDING!

RENSHAW LANDS A HARD RIGHT TO THE HEAD WHICH THREW JOE OFF BALANCE.

—AND CAME IN FAST WITH A LEFT TO THE BODY... THEY CAME TOGETHER AND PUNCHED FURIOUSLY.

YOU'RE WRONG, BRICK—NO WINDOW, JUST PLAIN, SOLID STONE PANELS!

DON'T GIVE UP UNTIL WE'VE COVERED EVERY INCH OF EVERY WALL!

WHAT AN ODD LITTLE GIMMICK—I'LL JUST GIVE IT A LITTLE POKE!

HEY-Y-Y!

RUDY! I NEARLY FORGOT ABOUT THE GIMMICK! I'VE GOT TO GET OFF MY HANDS!

IT'S A GOOD IDEA FOR ME AND YOU'RE ENTITLED TO A PROFIT ON IT.

WOULDN'T THINK OF IT—I'LL TAKE WHAT THE OPTION COST ME AND NO MORE.

YOU'RE A GOOD SPORT—YOU HAVE MY CHECK FOR \$2000 IN THE MORNING.

MAKE IT \$2000.50, THEN I CAN COVER CLASSER'S SHORTAGE AN' IT WON'T COST HIM NOTHING.

YOU CHASER! NO WONDER YOU'RE BLUSHING.

SO LONG AS I GET MY \$314 I DON'T KEER IF I TURN PURPLE!

POP—YOU SAID YOU KNEW WHAT WELL? WAS IN MOM'S C.O.D. YOU ASKED ME TO FIND OUT AND I DID BY PEEKING.

POP—HOW BETWEEN US—I'D FIND—BUT YOU OUT? WOULDN'T MENTION IT TO MOTHER?

MAN TO MAN!

He said the district attorney didn't see why there should be any legal suit, 'cause the library wasn't a morgue.

What did he say?

While I was sittin' with the desk sergeant, the police got into a room of science an' physiology an' there's a suit against the city, 'cause some men had been in there for days an' nobody knew it. Then they had to go to the eye doctors to have their eyes examined on account of the tear-gas so the desk sergeant calls up the district attorney.

What's doin' on the library front? The whole town's jittery with the shots gain' an' until the Mayor ordered a blackout.

WATCH YER KAR.

NO!

WATCH YER HOSS.

Uncle Ray's Corner

More's "Utopia" Pointed Way Toward Possible Changes in Britain

If you would like to go to Utopia, there is only one way to get there. That is to read the book.

What and Where is UTOPIA?

SIR THOMAS MORE

called "Utopia." It was written by an Englishman named Thomas More.

In the year Columbus crossed the Atlantic, young More entered Oxford university. He was then 14 years of age. We cannot say that he was dreaming about Utopia at the time, but we know that he took an interest in his college studies. Thomas had lived in London before going to Oxford. He was born in a house on Milk street, and had been a pupil in a grammar school on Thredneedle street.

More stayed at Oxford for only two years. Then he returned to London, and started to study law. He liked law less than his studies at Oxford, but his father was a lawyer and wanted him to follow the same path. Within a few years he became an attorney.

When he was 38 years old, his book, "Utopia," was printed. It was in the Latin language, and few persons read it except scholars at various colleges in Europe. The volume was not printed in English until 18 years after the author died.

By the time he wrote "Utopia," More had learned about the life around him. He had watched the ways of rich men, and had seen the troubles of the poor. It seemed to him that many things were wrong with the world.

So it came about that he wrote a story of an island named Utopia. On this island people had learned to live at peace with one another. There was a great deal of gold on the island, but it was not held to be of much value. There also were diamonds and pearls, but these were used as playthings for children, and were not worn by grown folks.

People in Utopia were not forced to go to any church. They could have their own ideas about religion. That is one idea of the author which has been carried out in most countries since his time.

The title of More's book was made from Greek words meaning "No Place" or "Nowhere." There is little doubt, however, that he was thinking about his own island of Great Britain, and hoped that the British would adopt some of the customs of Utopia.

More's "Utopia" Pointed Way Toward Possible Changes in Britain

If you would like to go to Utopia, there is only one way to get there. That is to read the book.

What and Where is UTOPIA?

SIR THOMAS MORE

called "Utopia." It was written by an Englishman named Thomas More.

In the year Columbus crossed the Atlantic, young More entered Oxford university. He was then 14 years of age. We cannot say that he was dreaming about Utopia at the time, but we know that he took an interest in his college studies. Thomas had lived in London before going to Oxford. He was born in a house on Milk street, and had been a pupil in a grammar school on Thredneedle street.

More stayed at Oxford for only two years. Then he returned to London, and started to study law. He liked law less than his studies at Oxford, but his father was a lawyer and wanted him to follow the same path. Within a few years he became an attorney.

When he was 38 years old, his book, "Utopia," was printed. It was in the Latin language, and few persons read it except scholars at various colleges in Europe. The volume was not printed in English until 18 years after the author died.

By the time he wrote "Utopia," More had learned about the life around him. He had watched the ways of rich men, and had seen the troubles of the poor. It seemed to him that many things were wrong with the world.

So it came about that he wrote a story of an island named Utopia. On this island people had learned to live at peace with one another. There was a great deal of gold on the island, but it was not held to be of much value. There also were diamonds and pearls, but these were used as playthings for children, and were not worn by grown folks.

People in Utopia were not forced to go to any church. They could have their own ideas about religion. That is one idea of the author which has been carried out in most countries since his time.

The title of More's book was made from Greek words meaning "No Place" or "Nowhere." There is little doubt, however, that he was thinking about his own island of Great Britain, and hoped that the British would adopt some of the customs of Utopia.
