SOLDIER KILLS SELF, PAIR TO SETTLE GRUDGE

DE SOTO, Mo., Aug. 12 — (INS) — Three deaths were counted today after a 35-year-old Fort Leonard, Kan. soldier resorted to a gun to settle his grudge with the woman he blamed for getting him drafted into the Army.

Missouri highway police said Pvt. Earl Nappier, whose home was in De Soto, yesterday fatally shot Mrs. Margaret Smith, 55, and her nine-year-old granddaughter, Delores Hager. Nappier then killed himself in a De Soto alley, the highway police reported.

Nappier's wife, from whom he was separated, said her husband returned home on furlough yesterday, told her he was "going to kill the old woman (Mrs. Smith)" and then returned a short time later to say he had carried out his intention, also killing the child when "she made me mad." Nappier left his wife's home one more and his body was found later.

The highway police quoted Mrs. Nappier as saying Mrs. Smith had become angry over Nappier's attention to her daughter, Miss Gertrude Smith, and wrote his draft board disclosing he was not living with his wife. He was inducted four months ago. The Nappiers have five children.

Sir Charles Wheatstone of England is credited with inventing the harmonica in 1829.
