"Bathing Beauty" Opens On Friday On Ohio Screen

Joy will be unconfined at the Ohio theatre where "Bathing Beauty" opens Friday. Howis of laughter and the complete approval of the audience no doubt will be heard all over town. Here you'll find movie entertainment at its best with fun, music, color, beautiful girls and everything else that goes to make up a smash hit musical.

Playing its last at the Quilna theatre is Phil Baker's great hit "Take

It or Leave It." Never will it be forgotten for it will go on record as the only movie ever timed as perfectly as it was.

Showing the rapid rise toward juvenile delinquency is the movie now at the Sigma theatre. This is one thing the American people all can help to combat and if not immediately stopped, this generation will go down in history as the illiterates of the world.

Ghosts stalk the stage of the State theatre as Gildy's ancestors try to aid him in getting the office as town commissioner. Don't miss seeing "Gildersleeve's Ghost" which is co-featured with "And the Angels Sing."

Trying to destroy the black market is just like trying to put out a fire with gasoline if the test of the population doesn't help. To end thew ar, we must all help fight the black market. One man can not do it alone, as you will see in "Racket Man" currently featured at the Lyric theatre.
