Admiral Nimitz, speaking to help observe the 31st anniversary of Naval aviation, will give the latest news on naval action in the Pacific and tell of the progress of this branch of the service in the Pacific area.

When Harry Savoy's maid leaves him, the Crown Prince of Confusion goes down to the newspaper office to advertise for a new one . . . and ends up as a reporter, in his comedy broadcast over Station WEAF Thursday at 10 p. m. His journalistic assignments, naturally, are unorthodox and hilarious. Music on the program is by Peter Van Streden's orchestra, Paula Kelly and the Modernaires and Benay Venuta.

The celebrated author and playwright, Ben Hecht, joins the ranks of literary figures turned actor when he is heard in his original radio drama, "Actor's Blood," on "Suspense," Thursday at 8 p. m. over Station WABC. Co-starring with Hecht is the film and stage star, Freddie March, who was recently seen in the title role of "Mark Twain."

TONY PASTOR
"PARADIDDLE JOE"—Director of his own band for only a comparatively short time, Tony Pastor, the master of "scat" singing who is appearing with his band in a one-night stand Friday at Sandy Beach park, Russells Point, has come a long way in the world of jive and jam. After breaking into the big time at the famed Maria Kramer room in a New York hotel, Pastor moved into the stride that has brought him fame as a song writer, vocalist and conductor.

BILLION PAID IN ALLOWANCES FOR NAVY MEN

CLEVELAND, Aug. 24—(INS) — The U. S. Navy paid out more than one billion dollars in family allowance payments, payroll allotments and mustering-out pay during the first seven months of the year, it was announced today.

Rear Admiral F. E. McMullen, chief of the field branch of the Navy bureau of supplies and accounts in Cleveland, said that the branch mailed out checks for \$1,139,000,000 during that period. Allotments totaled \$559,000,000; allowances, \$21,000,000, and mustering-out payments, \$19,000,000. STATE SECRETARIES TO PICK OFFICERS

CINCINNATI, Aug. 24—(INS) — The 27th annual conference of the National Association of Secretaries of State will come to a close in Cincinnati today with the election of officers.

Today's business session will close with a discussion or "gazing the state for the future."

At yesterday's session, post-war motor vehicle problems were discussed but little hope of uniform vehicle taxes, fees and licensing regulations short of federal control was seen as a result. Nearly all the secretaries who spoke however, voiced disapproval of federal control.
