team to shame. At first the native boys would shunny up a coconut tree for two people all for the gift of a cigarette (any kind). Now the fuzzies are smart and won't budge unless they get a whole package and they name their favorite brand.

Even though the European theater has the spotlight at the moment there'll come a time shortly when we'll be heard from and often.

We have the "Sons of Heaven" back in Tokyo a little worried right now, and it won't be long before we're giving our halfback loose and send him over for a touchdown.

Sincerely,  
Lieut. Warren L. Filmer

Roundy: Those of us Wisconsin boys who are in this thing now hope to settle the score for those Badgers who are resting in well kept plots where the jungle meets the beach.

Keep Madison a grand place to come home to, Roundy, and we'll see you soon.

Roundy: What goes on in the price charging at High School football games? I have a son who is out for football at West. It is his first year out and he hasn't quite got the ability to make the first 'squad. Yet he goes out regularly every night for practice. When West played Beloit he had to pay his 50 cents for admission. There is something "rotten in Denmark" when a lad goes out every night for practice and tries to make the first team and has to pay to see his team mates in a regular game. No wonder there are wars in this world when such gross injustice is going on in our own back yard.

You can put this in your column or tear it up but, I think you know the difference between right and wrong.

Yours for Justice,  
Larry F. Brooks
