

# Lima News Feature To Be Aired On Thursday Evening

World Schultz, foreign correspondent and author of "Germany Will Try It Again," whose series of stories appear daily in The Lima News, and Dean Christian Gauss of Princeton, chairman of the American Association for a Democratic Germany, will maintain that the Allies should not partition Germany, when they appear as speakers in an "America's Town Meeting of the Air," discussion of the question, "Should the Allies Partition Germany?" on Thursday, at 7:30 p. m., over Station WJZ.

Both favor a hard peace with Germany, but oppose partition. The broadcast will originate in television studios in Schenectady, N. Y., and will be telecast over the station, marking what is believed to be the first time in television history that a major commercial broadcast has been televised during its regular broadcast period. Two equally prominent speakers will present the case for guarding against future aggression by breaking up Germany. George V. Denny, Jr., founder of "Town

## NEEDS AN ARK TO MOVE PETS

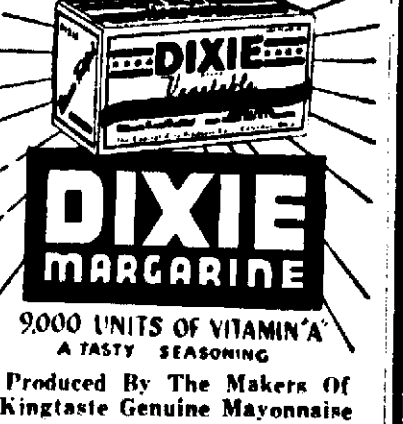

KANSAS CITY, Mo., Oct. 5.—(UP)—Mrs. John Price of Johnson, Mo., is in the market for an ark.

She's moving to Santiago, Chile to join her husband, who is first secretary in the British embassy. And she thinks an ark—or something similar—will be needed to transport her two daughters and their pets: Winston, a small snapping turtle; Arimanta and Jemima, ducks; General Smuts and Bonnie, Scotty dogs; Porridge and Henry, the cats, and Alex, the wild rabbit.

The Brazilian tree porcupine uses its tail as a hand.

**WHAT A RELIEF!**  
PORTSMOUTH, N. H. (UP)—It was the same old story for attorney Harold M. Smith, who nearly suffered a complete physical collapse while trying to row his boat against the strong current of the Piscataqua river. After he lifted his anchor, Smith found the current wasn't nearly so strong.

Try bathing your feet in warm water to which two tablespoonsful of ordinary household ammonia have been added.
