RAB BARBUTI DISPLAYS SPEED AT CEYLON BASE

SOUTHEAST ASIA COMMAND HEADQUARTERS, Kandy, Ceylon, Nov. 17.—(UP)—Capt. Raymond J. Barbuti, 400-meter champion in the 1928 Olympic Games, is now an intelligence officer with a B-25 (Mitchell) squadron of the "Earthquakers" bombardment group, but he is still fit enough to trim his squadron's crews in races around their Assam air base.

While his group was operating in North Africa, Capt. Barbuti, who is 39 years old, organized the "Eastern Desert Track Championship" and then coached the "Earthquakers" team into the championship against British and Australian of the Eighth Army and the RAF.

Capt. Barbuti is anxious to return to his home at Hewlett, L. I., to continue coaching his 14-year-old daughter, Martha, who shows promise of being a champion swimmer.

BRICKER SAYS GOP HAS BIG RESPONSIBILITY

HARRISBURG, Pa., Nov. 17.—(AP) The Republican party, says Ohio's Gov. John W. Bricker, defeated Republican vice presidential nominee, "is not licked but just temporarily out of office."

Republicans have "the responsibility to fight every inch of the way so that America will be kept the kind of America our boys want to come back to," Bricker told the annual convention of the Pennsylvania Council of Republican Women last night. It was his first public address since Nov. 7 election.

"What we want," declared Bricker, "is the maintenance of the two-party system, the recuperation and readjustment of our tax laws, x x x I would like to see in America every businessman and every laboring man, when we've freed the world from autocracy, rise up and say 'now we're going to free America from bureaucracy.'"

The 21,000,000 persons who voted for the Republican ticket of Thomas E. Dewey and Bricker were described by the Ohioan as "almost half the popular vote" outside the south. He asserted the vote placed "on the Republican party, Republican governors and on Republican members of congress the responsibility of expressing the aims, the will and the

ambitions of that 21,000,000 people."
