chosen in place of John Carver the first governor who had died after being in office a few months. To be governor of a colony which was a mere village might be taken as a thing of little honor or importance. To Bradford, how-

ever, it was of the greatest imish settlement on a long part of after his death, but it vanished portance. Here was the first Brit- the North American coast. Down from sight during the American

had been started at Jamestown, but Jamestown was hundreds of miles away. Could Englishmen succeed in

nor," he did a great dear to many as set aside a time of feasuing and a success of the colony. He was set aside a time of feasuing and kept in office most of the rest of thanksgiving. About 80 friendly Indians came to the village, and mith the settlers in the A record of the things that hap- took part with the settlers in the

from sight during the American in Virginia, to be sure, a colony Revolution.

The loss of those records was a heavy blow to men who were interested in colonial history. Happily they were found again-in a forming a colony in the chill climate of New England? That was
a question which Bradford, and
others, wondered about at the
time he was named governor.

The first of the property of the Plymouth Plantation have

pened at Plymouth was kept by first Thanksgiving feast on the Governor Bradford. This record American continent. That was in was saved for about 120 years the autumn of 1621.
